

No. NSC/FSW-2026
To All Members and Patrons

27th February 2026

SUB: Fire Services Week (April 14 – 20) (FSW) Campaign, 2026

Dear Sir/Madam,

Fire safety is crucial in protecting lives and property, and Fire Services Week (FSW) is a time to reinforce this commitment. As per the directive from the Standing Fire Advisory Committee (SFAC), Ministry of Home Affairs, Government of India, 14th April has been designated as **Fire Services Day**, and 14–20 April is observed as **Fire Services Week** in remembrance of the tragic fire and explosions at Victoria Dock, Mumbai Port, on 14th April 1944. This week is dedicated to raising awareness and strengthening fire prevention measures across industries and workplaces.

The **National Safety Council (NSC)** is proud to spearhead the **FSW-2026 Campaign**, aiming to spread awareness about fire safety among employees, families, and the public. Through a range of educational programs, Checklist Audits, safety tools, and promotional materials, we strive to equip organizations with the necessary resources to enhance their fire safety preparedness.

For **FSW-2026**, NSC is offering a variety of materials and services to help organizations effectively observe the campaign.

NSC will now accept orders for **Fire Services Week Campaign -2026** and Orders for Safety Posters, Signages and Stickers may also be placed through exclusively through our E-Store at <https://estore.nsc.org.in> or by using the QR Code provided.

Promotional and Awareness Materials/ Programme:

- ❖ **Fire Services Week Badge** – A multi-colour badge printed on art paper, in English on one side and Hindi on the other.
- ❖ **Campaign Banner** – Designed around the **official theme** set by the Fire Adviser, Ministry of Home Affairs.
- ❖ **Fire Handbook for Workers (Hindi)** – Easy to understand an essential guide for workplace fire safety.
- ❖ **Guidebook on Fire Safety** – A detailed reference for implementing effective fire safety measures.
- ❖ **Utility & Safety Items** – Self-adhesive Glow-in-the-dark (Photo -Luminescent) fire safety signage in Hindi and English, posters, caps, reflective jackets, first-aid kits, water bottles, lunch boxes, rechargeable torches, and more.

Safety Check-list Audit, Awareness Programs and Evacuation Drill

- ❖ **Fire Safety & Electrical Safety Check-list Audit** – A comprehensive assessment to identify and mitigate fire risks (**Refer to Brochure 1**).
- ❖ **In-Plant Awareness Programs** – Fire and electrical safety training sessions conducted at company premises (**Refer to Brochure 2**).
- ❖ **One-Day Evacuation Drill** – Practical fire evacuation exercises for better preparedness (**Refer to Brochure 3**).

We urge all our **Members and Patrons** to partner with NSC in observing **FSW-2026** from **14th April 2026** and ensure a safer environment for all. Your participation and enthusiasm will make a significant impact in promoting fire safety awareness.

Members and patrons are requested to place their valued orders well in advance by **25th March 2026** to facilitate effective planning, organizing and enable us to timely delivery of materials at your location for FSW-2026 campaign materials.

For organizing the **Evacuation Drill, Check-list Audit, and Awareness Program**, kindly submit your requirements along with full advance payment to traininginplant@nsc.org.in.

For further details, visit <https://nsc.org.in/fire-service-week.aspx> or contact us directly.

Let's work together towards a fire-safe future!

Encl: Brochures (1-3)

Yours faithfully,

R.R. Deoghare
for Director

Catalogue of Materials

FIRE SERVICES WEEK (14th - 20th April 2026)

Sr. No.	Description of Item	HSN Code [GST Rate]	Product Rate

NSC Non-Member Rs 37,000 /- (Plus 18% GST)

LAST DATE OF ENROLMENT

10th April, 2026

PERSPECTIVE

Every installation has some fire hazard and risk related to fire. The fire hazard is due to presence of flammable or combustible material, along with possibility of spark or ignition. The fire statistics reveals that nearly 8-10% of fatalities are due to fire & explosion in factories/Industries. NSC is organizing one day Checklist Audit on Fire Safety as a preventive measure against damage and this endeavor is a tribute to the firemen who lost their lives in devastating fire occurred at Bombay Dock in 1944.

As electrical hazard is one of the major causes of fire, NSC has Electrical Checklist Audit. This one day Checklist Audit on fire & electrical safety would provide a gap analysis approach for fire and electrical safety systems and means to improve the safety standard through the major recommendations. These Checklist Audits are arranged for installation at concessional rate only on occasion of Fire Service Week observed all over India.

The major areas to be covered for fire checklist audit

- Fire Safety Management System
- The Preventive Measures
- The Protective Measures
 - The first Aid Fire Fighting System
 - The Fixed Fire Fighting System
- Fire Safety for First Responder
- Fire Safety Legislation
- Fire Emergency Plan

The major areas to be covered for electrical checklist audit

- Electrical Safety Management System
- Electrical hazards and control Measures
- Personal safe guarding w.r.t. electrical work
- PPE norms and practices
- Maintenance procedures
- Electrical Safety Legislation (CEA Regulations / NBC/ applicable Indian Standards).

ORGANISATION

The Checklist Audit on Fire Safety or Electrical Safety are applicable for industries including Small and Medium Scale industries, Research Institutes, Hotels, Malls, Hospitals, warehouses, High-rise Buildings, Fire Brigade, Port/Dock, etc.

AUDITOR

Experts from National Safety Council, Industry, Government Bodies, Fire Protection Engineers and Electrical Experts.

DATES & TIME

One day Checklist Audit on Fire Safety and / or Electrical Safety will be conducted as per mutually convenient dates between **1st April 2026 to 30th April 2026**. Companies/Installations are required to send request for dates.

The enrolment for Checklist Audit will be on “**First-Come-First-Served**” basis for any particular date.

FACILITIES TO BE PROVIDED DURING FIELD VISIT

- Separate coordinators for each fire / electrical checklist audit
- Relevant documents for checking.

METHODOLOGY

- Send email with payment details to traininginplant@nsc.org.in
- After fixing the mutually convenient date for field visit arrange the transport for one or two auditors.
- On the date of audit a brief opening meeting with Senior Management
- Site visit, Document checking
- Closing meeting at the end for discussion on major findings with Senior Management
- Submission of the filled up checklist report along with executive summary within 15 days

REPORT- Report will be submitted in checklist form with major recommendations as Executive Summary within 3 weeks after the field visit.

FEES: (With Full Advance Payment)

For NSC Member Rs 35,000 /- (Plus 18% GST) for each service

For NSC Non-Member Rs 37,000 /- (Plus 18% GST) for each service

The fees will cover expenses for carrying out audit and a report in the form of filled up checklist. Fees once paid **will not be refunded or adjusted**

Facilities to be provided by the company, free of charge (**Not included in the Fee**) as below:-

a) For Outstation Audits:

- i) To & fro air tickets to your nearest airport for expert(s) to be arranged by the company.
- ii) Transport for the expert(s) between the airport and the company's guest house/plant.
- iii) Lodging & Boarding in a decent hotel / company's Guest House.

b) For Audit in and around Mumbai:

- i) Local transport arrangement for the expert(s)
- ii) Arrangement of lunch/tea/ snacks etc.

NSC SERVICES in FSW 2026

- 1) One Day Checklist Audit – Fire Safety
- 2) One Day Checklist Audit – Electrical Safety
- 3) One Day Inplant Awareness Program - Fire Safety
- 4) One Day Inplant Awareness Program – Electrical Safety
- 5) One Day Evacuation Drill

PAYMENT MODE (Cheque / D.D. / NEFT)

Request for Checklist Audits (Fire Services Week 2026) accompanied by a crossed Cheque / Demand Draft drawn in favor of "National Safety Council, Mumbai" in the enrolment form should be sent to:

The Director General,
National Safety Council,
98-A, Sector 15, CBD, Belapur,
Navi Mumbai – 400 614,

Phone : (022) 44002862 / 2864,
Email: traininginplant@nsc.org.in
Web Site: <https://nsc.org.in>

NSC will also accept payment by electronic transfer. Relevant particulars are as follows :

(for each programme with batch of 25 participants)

LAST DATE OF ENROLMENT

10th April 2026

PERSPECTIVE

The risk of damage due to fire depends on the combustible available, their physical arrangement, the geometry of building, likelihood of ignition, etc. The risk is also controlled by fire protection measures in place, which relate to both fire prevention & fire control. Statistics reveals that nearly 8-10% of all fatalities in industries are due to fire & explosion in factories/Industries. NSC is organizing this Awareness course as a tribute to the firemen who lost their lives in devastating fire occurred at Bombay Dock in 1944.

This one day Awareness programme has been designed to provide insight into the gravity of the fire problem and the means and methods available to upgrade fire safety standard. This awareness programme is arranged for installation at concession rate only on occasion of Fire Service Week being observed all over India.

TOPICS for Fire safety awareness in plant program

- Basics of Fire Safety.
- Fire Safety for First Responder.
- Fire Safety Legislation.
- Principal of Firefighting and the Firefighting Medias.

LAST DATE OF ENROLMENT

10th April 2026

PERSPECTIVE

The purpose of conducting an emergency evacuation drill is to assist personnel to know their roles and responsibilities in an emergency situation in accordance with the emergency plans, procedures and to test the workforce response to an emergency.

Evacuation drills are essential to make sure your workforce is aware of the necessary steps to safely evacuate the premises.

Objective:

The main objectives of the Emergency Evacuation Drill is:

- To ensure fast, organized and smooth evacuation of employees from the workplace during emergencies.
- To train emergency team members to perform their duties effectively.
- To test the working conditions and effectiveness of all fire and emergency equipments at the workplace.
- Evaluating effectiveness of evacuation procedures and determining necessary changes to improve performance.
- The following methodology will be adopted to complete the evacuation drill successfully:
 - i. Initial briefing on drill requirement
 - ii. Mock drill
 - iii. Observations
 - iv. Debriefing meeting.

ORGANISATION

The One day evacuation drill is applicable for industries including Small and Medium Scale industries, Research Institutes, Hotels, Malls, Hospitals, Warehouses, High-rise Buildings, Port / Dock, etc.
