National Safety Council of India invites applications for
EMPANELMENT OF EXPERTS

National Safety Council (NSC) was set up by the Ministry of Labour & Employment, Government of India on 4th March 1966, to generate, develop and sustain a voluntary movement on Safety, Health and Environment (SHE) at the national level. To fulfil its objective NSC carries out various activities. These include organizing and conducting specialized training courses, conferences, seminars & workshops; conducting consultancy studies. NSC is pioneer in safety audits. NSC conducts Safety, Health, Environment and Fire & electrical audits of various sectors including petrochemicals, chemical, refineries, cement, power, fertilizer, insecticide, pharmaceuticals, engineering, paper, construction, hotels, hospital, offices etc.

In order to further strengthen its pool of technical experts and meet the growing need of industries for its services, NSC invites applications from experienced professionals to empanel them as external experts. The selected experts will be invited to provide their services to NSC towards assignments such as Safety Audits, Safety Consultancy and Safety Training etc. The experts will be paid suitable honorarium as per the type of assignments and expertise levels.
