6.0 ACTIVITIES / COLLABORATION

6.1 Signing of MOUs/ Agreements

The National Safety Council (NSC) has consistently pursued long-term collaborations with its leading corporate members and other organizations, working to meet their Occupational Safety and Health (OSH) needs through strategic partnerships. As part of these efforts, NSC has entered into several Memorandums of Understanding (MoUs) / agreements to strengthen these alliances.

1. On 10th April, 2023, NSC has signed a Memorandum of Cooperation (MoC) with the Construction Industry Development Council (CIDC) during their India Construction Meet, held in New Delhi. The CIDC was established by the Niti Aayog (erstwhile Planning Commission) in association with the Construction Industry, is an apex body to take up and promote activities for the development of the Indian Construction Industry. The MoC, was signed by Dr. Lalit R. Gabhane, Director General of NSC, and Dr. P.R. Swarup, Director General of CIDC. The agreement will remain in effect for three years. This collaboration aims to jointly promote safety awareness and advocate for improved safety, health, and environmental standards within the Indian construction sector.

2. On 4th July, 2023, NSC signed its first-ever 1-year Memorandum of Understanding (MoU) with the Petroleum and Explosives Safety Organization (PESO). The MoU was signed by Shri R.R. Deoghare, Director, on behalf of DG, NSC, and Shri H.K. Sharma, Deputy Chief Controller of Explosives, on behalf of the Chief Controller of Explosives, PESO. The MoU, which can be extended by mutual consent, outlined a framework for technical cooperation between PESO and NSC. It focuses on developing, designing, and delivering Occupational Safety and Health (OSH) training programmes for organizations under PESO's purview as well as NSC members.
3. To further strengthen its long-standing relationship with the Steel Authority of India (SAIL), NSC has signed a 1-year Memorandum of Understanding (MoU) for the 13th consecutive year on 3rd November, 2023. The MoU was signed by DG, NSC and Shri Asish Chakraborty, Executive Director of SAIL's Safety Organization, on behalf of SAIL. The agreement, which can be extended by mutual consent, aims to uphold the highest standards in Occupational Safety, Health, and Environment (OSHE) through ongoing technical cooperation and knowledge exchange between the two organizations. Several initiatives, including safety audits, training programmes, and OSH consultancy services, are planned across various SAIL locations as part of this collaboration.

4. To establish a collaboration with the Land Port Authority of India (LPAI), NSC has signed a 3-year Memorandum of Understanding (MoU) with LPAI for the first time on 31st January, 2024. LPAI is a statutory body under the Ministry of Home Affairs, Govt. of India, constituted under the Land Ports Authority of India Act, 2010. This Act empowers the Authority

to develop, manage, and operate land ports, and to regulate the movement of goods and passengers across India's international land borders. The MoU was signed by DG, NSC, and Shri Aditya Mishra (IPS), Chairman of LPAI, at the LPAI Office in New Delhi. The validity of the MoU can be extended by mutual consent. The MoU aims to strengthen the OSH Standards at the land ports across India.

5. In an effort to establish a new collaboration, NSC has signed a one-year Memorandum of Understanding (MoU) with the Indian Association of Amusement Parks and Industries (IAAPI) for the first time on 28th February 2024. The MoU was signed by DG, NSC, and by Shri Shrikant Goenka, Chairman, and

Shri Pradeep Sharma, Chairman of the Safety Committee, on behalf of IAAP during their Business Excellence Award ceremony. The agreement, which can be extended by mutual consent, aims to benefit the amusement park industry by raising safety awareness and providing guidance to employees and end-users of amusement rides & equipment. This includes promoting the optimal use of safety appliances, services, technologies, and equipment across the industry.

6.2 DG-NSC chaired CHD-07 and CHD-08 Committee meetings of BIS

As the National Standards Body of India, the Bureau of Indian Standards (BIS) plays a pivotal role in developing Indian Standards across various industrial sectors, covering products, testing methods, and services. The two key BIS committees, CHD-07 and CHD-08, are chaired by DG, NSC.

CHD-07: Chemical Hazards Sectional Committee The CHD-07 Committee is tasked with drafting and formulating standards and codes of practice related to chemical hazards.

- The 11th Meeting (29th August, 2023): Held virtually and chaired by Dr. Gabhane. This meeting was attended by 26 members. Discussions revolved around process reforms in BIS's standardization activities and initiatives to identify new areas for standardization. Shri A.Y. Sundkar, Director (Principal Member), and Shri K.D. Patil, Deputy Director (Alternate Member) attended the meeting.
- The 12th Meeting (8th November, 2023): Conducted on a hybrid mode with 25 members in attendance. The meeting focused on further process reforms and finalized the Terms of Reference (ToR) for an R&D project.

NSC's leadership continues to guide the committee's efforts to advance standards in chemical hazards.

CHD-08: Occupational Safety and Health Sectional Committee The CHD-08 Committee is responsible for drafting and formulating standards and codes of practice in the field of occupational safety and health.

- The 23rd Meeting (28th April, 2023): Held on hybrid mode and chaired by Dr. Gabhane. This meeting had the participation of 38 members. The committee reviewed and revised various Indian Standards based on feedback from members. Shri Sundkar, Director NSC attended the meeting as a member.
- The 24th Meeting (31st October, 2023): Chaired by Dr. Gabhane, this hybrid meeting involved 25 members. Discussions centered around reviewing and revising standards based on comments received, continuing the committee's work to enhance occupational safety standards. Shri Sundkar attended the meeting.
- The 25th Meeting (21st March, 2024): In this hybrid meeting, chaired by Dr. Gabhane, the committee continued its review of Indian Standards and revisions based on members feedback. Both Shri Sundkar and Shri Patil attended the meeting, reflecting NSC's commitment to improving safety and health standards.

Through Dr. Gabhane's leadership, the CHD-07 and CHD-08 committees are making significant contributions to safety, health, and environmental standards in India.

6.3 Visit of students of Lokmanya Medical Research Centre, Pune to the NSC office

On 17th May, 2023, a group of 25 students from Lokmanya Medical Research Centre (LMRC), Pune, visited NSC Headquarters. A special program was organized for the students. The session concluded with an interactive question-and-answer segment, allowing the students to interact with NSC representatives. They were also given a guided tour of the various facilities at NSC.

6.4 Asia Pacific Occupational Safety and Health Organization (APOSHO)

6.4.1 NSC's Participation in APOSHO-37 Committee Meetings, Conference and AGM

NSC Board of Governors approved a two-member delegation from NSC India to participate in the APOSHO-37 Committee Meetings, Conference, and Annual General Meeting (AGM), hosted by the Malaysian Society for Occupational Safety and Health (MSOSH) in Shah Alam, Malaysia from 23rd to 26th October 2023. The event was attended by Shri Mukesh Galav, Vice Chairman (W), and Dr. Gabhane, DG, NSC. 6.6.4 To increase awareness about health and safety at workplace among the contractor workers, NSC conducted a 1-day Seminar on “Health and Safety of Contractor Workers” at the Auditorium of Durgapur Steel Plant (DSP), Durgapur, West Bengal on 20th March, 2024. About 100 participants from DSP and other organizations attended the seminar. During the seminar, topics like Safety at Workplace, Fire Safety, Housekeeping and PPE were discussed. This seminar was inaugurated by Shri Sanjay Srivastava, CGM (Safety), DSP. Shri Deoghare, Director, NSC conducted the seminar.

7.0 TECHNICAL SERVICES

7.1 Safety Audits/Consultancy Services

NSC has consolidated and strengthened its leadership position in the field of OSH by conducting consultancy assignments of manufacturing, construction and service sectors. These includes Safety Audits, Review Safety Audits, Safety Audit as per Maharashtra Factories, Rules-2014 & 2017, Environment Safety Audit, Occupational Health & Safety Management System Audit as per IS 14489 : 2018, Preparation of Safety Report, Pre-Commissioning / Start-up / Pre-Occupation Safety Audit, HAZOP Studies, Quantitative Risk Assessment, HIRA, Preparation of Safety Manual and Preparation/Review of On-Site Emergency Plan / Emergency Evacuation Plan, etc. There has been great demand for all these types of assignments.

As a major player in safety auditing, NSC has been responding to all the requests from organisations. If an assignment demands, multi-disciplinary teams are constituted under the leadership of technical officers for simultaneous fieldwork in different locations. The recommendations provided by NSC in the Safety Audit report are the source of improvement in eradicating the existing hazards and putting forth a healthy atmosphere. During the year 2023-24, in all 185 consultancy assignments were carried out.

7.2 National Safety Aptitude Test

The National Safety Aptitude Test (NSAT) is an online examination conducted by NSC from the year 2022. The objectives of NSAT are to assess candidates'

comprehensive understanding of safety science, safety laws, risk management, safety engineering/management, leadership abilities, and general aptitude. The NSAT score, valid for two years, reflects the candidate's performance in the occupational safety, health & environment field.

The NSAT-2023 examination was conducted on 2nd September, 2023 for which 402 candidates registered. In all 350 candidates attended the examination out of which 338 candidates passed the exam. On the demand from organisations, NSAT-2023 was extended to construction and oil & gas sector organisations and 35 and 204 candidates respectively appeared for it.

7.3 NSCI Safety Rating System (NSRS)

NSC has upgraded and relaunched the Safety Rating System with Certification in 2022 with the title “Excellence in Safety – 5 Golden Stars” for all industrial and commercial establishments to assess their Safety, Health, and Environmental (SHE) performance. This system enables organizations to benchmark their SHE practices using a standardized evaluation method across India. The primary objective of the safety rating system is to encourage continuous improvement in SHE standards.

The NSC Safety Rating System (NSRS) is a comprehensive evaluation that covers 8 key elements and approximately 88 sub-elements, all focused on driving excellence in safety management.

In the financial year 2023-24, ten organizations/sites participated in the NSRS, with five organizations achieving the prestigious 5- Golden Star Rating for their outstanding SHE performance.

7.4 NSCI Safety Shield

NSC has introduced the prestigious NSCI Safety Shield in 2023 to recognize organizations demonstrating exceptional commitment to Occupational Health and Safety (OHS) practices. This advanced assessment goes beyond the NSCI's 5 Golden Star Rating System, rewarding organisations that have achieved the highest level of safety excellence.

*Safety Shield presented to the Tata Power Co. Ltd.,
Trombay Thermal Power Station, Mumbai
team by I. Rani Kumudini, IAS*

During the F.Y. 2023-24, five organisations received the coveted NSCI Safety Shield. These exemplary companies were presented with the Shield during the NSCI Safety Awards 2023 ceremony by Smt. I. Rani Kumudini, IAS, Special Chief Secretary, Labour Employment Training and Factories Department, Govt. of Telangana.

7.5 Training Programmes

7.5.1 Training Programmes/courses and Need-based Inplant Training Programmes

NSC offers a wide range of training programmes, including public training programmes held at various locations across the country, need-based inplant training programmes, and virtual training programmes. These programme sessions are designed to be highly engaging, featuring interactive discussions, safety videos, practical exercises, and real-world case studies.

During the year, 42 national and virtual training programmes were conducted, with approximately 1,054 participants trained. Detailed information can be found in **Annex-VI** (Page 40). Additionally, 138 inplant training programmes were conducted on diverse topics and trained around 3,475 participants in different industries. In total, 4,529 individuals benefited from these training programmes.

7.5.2 E-learning Training Courses

NSC offers the following seven specialized e-learning courses designed to enhance the knowledge of the participants on safety, health and environmental management practices across industries. During the reporting period, in all 276 participants attended these courses.

1. Safety at Construction Sites
2. Chemical Safety
3. Industrial Safety
4. Electrical Safety
5. Office Safety
6. Advanced Industrial Safety
7. Environmental Management System

The details of the participants are given in **Annex-VII** (Page 42).

7.6 Safety Talks / Meetings / Functions

NSC Officers delivered safety talks, presented technical papers and attended meetings/functions organized by different organizations during the year. Details are furnished in **Annex-VIII** (Page 43).

8.0 SAFETY PROMOTIONAL ACTIVITIES

8.1 53rd National Safety Day / Week Campaign (4th – 10th March, 2024)

The National Safety Day / Week (NSD/W) Campaign spearheaded by the Council to commemorate its Foundation Day on 4th March has celebrated 53rd year of the campaign for the year 2024. The Campaign has now grown into a major national event in the OSH field and is widely celebrated by the industry, trade unions, Govt. departments, regulatory agencies, NGOs and institutions, etc. throughout the

country. The theme for this year's Campaign was **“Focus on Safety Leadership for ESG Excellence”**.

As in the previous years, the NSD Campaign-2024 received full support from the Ministry of Labour & Employment, Govt. of India. The Ministry had written letters to State Labour Ministers / Labour Governors / Administrations of all States / UTs and requested them to advise the concerned authorities in their state to ensure that the National Safety Day is organized in a befitting manner. The Ministry has also sent letters to the DG, Doordarshan and DG, All India Radio requesting to give adequate coverage to various events / activities which was organized in different parts of the country.

An appeal was issued to all members and patrons vide Council's letter dated 28th November 2023 to organize the 53rd NSD / Week Campaign from 4th March 2024 on a grand scale. The Campaign is aimed at renewing the commitment of employees and general public to work safely throughout the year. To assist them in organizing the Campaign effectively, the Council, as in the past had developed and brought out a variety of promotional literatures and utility articles carrying safety messages and slogans aimed at ensuring integration of OSH in work culture and lifestyle. During the week, all the members of NSC in their broader aspects extended their actions to families, townships, schools/colleges and community to adopt the good practices of road safety, home safety and emergency preparedness for their betterment.

Live Question & Answer special session during National Safety Day celebration on DD Sahyadri attended by Dr. Lalit Gabhane, Director General, NSC and A. Y. Sundkar, Director, NSC.

On the invitation from Doordarshan Sahyadri Mumbai Channel, Dr. Gabhane and Shri Sundkar, Director participated in the “Hello Sahyadri” interactive live programme on 4th March, 2024 organised on the occasion. The information about NSD/W was provided to the viewers and also the queries received from the common masses were answered.

Also, Shri Deoghare, Director, NSC participated (through telephone) in the Radio Programmes i.e. Red FM 93.5, Apna Radio 96.9 and Radio Tarang 90.0 FM and answered their questions. Further, NSC officers were invited by NSC's Member

organizations for delivering addresses at the functions organized by them on the occasion.

8.2 Fire Service Week (14th - 20th April, 2023)

NSC has been actively promoting the Fire Service Week (FSW), which is held annually from 14th to 20th April under the guidance of the Fire Advisor, Ministry of Home Affairs, Govt. of India. The theme for FSW 2023, as decided by the Ministry, was **"Awareness in Fire Safety for Growth of National Infrastructure (AGNI)."**

To support members and patrons in effectively observing FSW, NSC developed and distributed a variety of promotional materials featuring key safety messages, including safety posters, photoluminescent signages, etc. These materials were supplied to 150 companies nationwide.

8.3 Celebration of the World Environment Day (5th June, 2023)

The World Environment Day (WED) is being spearheaded by the United Nations Environment Programme (UNEP) since 1972. NSC has been promoting the observance of the WED since 1999. The theme for WED 2023 was **"Beat Plastic Pollution"**.

The organizations actively participated in the WED Campaign and celebrated it in their premises. For effective promotion and observance of the WED-2023 Campaign, NSC developed various promotional materials and made available to the organizations and other patrons on demand.

NSC officials participated in WED celebration of D.Y. Patil's Dnyaypushpa Vidya Niketan School, CBD Belapur, Navi Mumbai. NSC officers addressed the students and briefed about the theme of WED-2023 and importance of the environment.

8.4 Promotion of National Electrical Safety Week Campaign (26th June, 2023 – 2nd July, 2023)

In addition to the other campaigns, NSC has been actively promoting "National Electrical Safety Week" (NESW) Campaign since 2020, with the active support of Central Electricity Authority, Govt. of India.

The objective of the NESW is to raise the awareness and enthusiasm among the public and industries on Electrical Safety and to renew the commitment of the employee and public towards safe use of Electricity. The theme for NESW-2023 was **"Electrical Safety – Don't Compromise, Be Wise"**. NSC bought out various promotional materials with topical messages on electrical safety.

8.5 Road Safety Month Campaign (15th January, 2024 – 14th February, 2024)

The Ministry of Road Transport & Highways observes National Road Safety Month every year. Hon'ble Minister had directed to observe National Road Safety Month from 15th January, 2024 to 14th February, 2024 with the theme **'Sadak Suraksha – Jeevan Raksha'**. To contribute to the cause, NSC had started promoting the Road Safety Campaign from the year 2011. To assist members and patrons in effectively

promoting and organizing the Campaign, the Council developed various promotional materials such as safety badge, safety banners, safety posters, films, key-chain, cap, reflective jacket, etc. with road safety messages. There was good demand for the promotional material. Members enthusiastically participated in the Campaign.

9.1 NSCI Safety Awards-2023

During FY 2023-24, a total of 676 applications were received. The sector wise status of applications are as follows:

	Manufacturing Sector	Construction Sector	MSME Sector	Service Sector	Total
Total No. Applications received	407	196	28	45	676

Assessment of Applications and finalization of the awards

As a stage-1 assessment, the applications were assessed by the field experts according to the established assessment criteria. The assessment's score was placed before the NSCI Safety Awards Committee. The list of Committee Members is furnished as **Annex - IX** (Page 47).

The NSCI Safety Awards Committee met three times on the virtual platform. The first meeting was held on 14th-15th December 2023, in which top ranked establishments at stage-1 assessment from construction sector were invited for presentation. The second meeting was held on 21st-22nd December 2023, in which the top ranked organization at stage-1 assessment from manufacturing and service sectors were invited for presentation.

Based on the assessment of the applications, field visits and presentations, sector-wise final merit lists were prepared and presented to the committee in its third meeting held on 1st January 2024. The committee deliberated on the merit lists and finalized the winners of the NSCI Safety Awards-2023.

To encourage and recognize organizations for their consistent excellence in safety, health, and environment, NSC introduced a Platinum Award in the manufacturing sector in 2021. The qualifying criteria for the Platinum Award are that the organization must have won at least 2 Gold NSCI Safety Awards in the past five years and achieved a score of 95% or above in the current awards year. The Committee noted that Indian Farmers Fertilizers Cooperative (IFFCO) Ltd., Kalol Unit, Gandhinagar, Gujarat, met the criteria for the Platinum Award during the year. Accordingly, the Committee, in its meeting held on 1 January 2024, bestowed the Platinum Award upon IFFCO Ltd., marking the introduction of this award.

A total 54-organisations from manufacturing sector; 23-establishments from construction sector; 11-enterprises from MSME sector and 12-establishments from service sector were declared as the winners.

The results were posted on NSC website on 1st January 2024 and subsequently letters sent to all award-winning organizations.

Awards Presentation Ceremony

The Platinum, Golden, Silver, Bronze and Prashansa Patra level awards were presented at Hyderabad Marriott Hotel & Convention Centre, Hyderabad, Telangana on the 15th of March, 2024 evening at the backdrop of the National Conclave on Safety, Health & Environment, which was held on the same day.

The Awards were presented at the hand of Smt. I. Rani Kumudini, IAS, Special Chief Secretary, Labour Employment Training and Factories Department, Govt. of Telangana; Shri B. Rajagopala Rao, Director of Factories, Govt. of Telangana; Shri Arvind R. Doshi, Vice-Chairman (Employers), NSC and Dr. Lalit Gabhane, DG, NSC

Total 99 organisations were received the awards in different levels – Platinum award with certificate, Sarva Shreshtha Suraksha Puraskar – Golden Trophy with Certificate, Shreshtha Suraksha Puraskar – Silver Trophy with Certificate, Suraksha Puraskar – Bronze Trophy with Certificate and Prashansa Patra. Along with the winners, 22 client organizations from Construction Sector were also been awarded. The winner's lists are provided at **Annexure X** (Page 48).

The function was well attended by over 470 persons from the Award winning organisations invitees and conclave delegates across the country.

9.2 NSCI Safety Awards – 2024

During the report period, Awards scheme for the year 2024 for manufacturing, construction, MSME and service sectors has been announced on NSC website in January, 2024.

10.0 PUBLICATIONS & PROMOTIONAL MATERIAL

10.1 National Safety Calendar – 2024

Since the year 1979, NSC brings out its wall calendar depicting safety messages through attractive cartoons/pictures. The aim is to convey the safety messages to the masses everyday throughout the year, in an effective and striking manner.

The Calendar for 2024 was designed by Shri Prabhakar Wairkar, a well-known cartoonist in the advertising world, honoured with National & International Awards. The Calendar depicted important topics related to occupational safety, health, environment and hygiene through cartoons including the information sheet on **“Scaffolding Safety”**. In all, 1,34,765 copies of the NSCI wall Calendar and 14643 no. of desk calendars were printed and distributed.

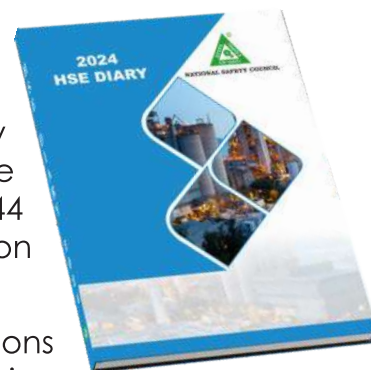

A copy of the Wall Calendar was provided to all NSC members as free membership service.

10.2 HSE Diary-2024

Health, Safety & Environment (HSE) Diary is being published by the Council since 1998 with an objective to disseminate the useful information on HSE for day-to-day usage and reference. The information provided in the Diary-2024 was on diverse topics. The Diary-2024 had 244 pages of which about 60 pages containing information on HSE.

The orders received for 34,462 copies from organizations including industries, institutions, regulatory agencies, professionals, etc. were executed. Total 35,000 copies (including complimentary) were printed and distributed to the members and patrons.

10.3 Safety Posters/Pocket Guides

NSC maintains a stock of Safety Posters, Pocket Guides, etc. in English and Hindi languages. Every year new posters and pocket guides on the relevant topics are printed and added to the stock. During the year, a Poster “Our AIM – ZERO HARM” was added to the stock, which was brought during NSD – 2023 campaign.

During the year, 73,000 copies of posters were printed. Total 26,112 posters and pocket guides were circulated and sold. NSC supplied 12 types of safety posters as part of the membership service to all its Corporate Members free of cost. Further, during the year, 31 copies of DVDs, 285 books and 2,782 signages were sold on the topics of Safety, Health and Environment.

10.4 Industrial Safety Chronicle

The quarterly journal Industrial Safety Chronicle continues to be regularly published in English language. During the reporting period, four issues were released and distributed to all members as part of their complimentary membership benefits. Soft copies of the journal were also uploaded on the NSC Connect Portal. Additionally, copies were sent to subscribers, NSC Board Members, key institutions and Govt. depts. including the Union Ministries of Labour & Employment, Environment, Forests and Climate Change; DGFASLI, Regional Labour Institutes, Chief Inspectorates of Factories, Pollution Control Boards, and other government bodies related to Occupational Safety and Health (OSH), on a reciprocal or complimentary basis.

10.5 Industrial Safety News

During the year, six issues of the bi-monthly Industrial Safety News were published as e-newsletters. Soft copies were emailed to all members as part of their complimentary membership service. Also, the newsletters made available for free download on NSC website and the NSC Connect Portal.

These newsletters keep members informed about NSC's latest activities, newly developed services, special assignments, and key updates on safety. Additionally, they provide valuable insights into legislative amendments related to safety, health, and environment.

10.6 Library

NSC maintains a well-equipped library of books and periodicals, accessible to its members, students, and employees. The collection includes approximately 3,300 technical resources such as books, manuals, reports, handbooks, codes, standards, and conference proceedings focusing on safety, health, environment, and related fields. New titles are added to the library each year to enhance the collection. This year, OISD standards in e-format were acquired for the library.

NSC also receives periodicals from renowned international and national organizations, including the National Safety Council (USA), International Social Security Association (ISSA), APOSHO Members, Bureau of Indian Standards, Indian Chemical Council, Builders Association of India, Automobile Research Association of India, Automation & Security India, CIRT's Indian Journal of Transport Management, and Indian Construction Journal for the Indian architecture, building, and construction industries.

11.0 AUDITED STATEMENT OF ACCOUNTS FOR THE F.Y. 2023-24

The Audited Income & Expenditure Statement and the Balance Sheet for the F.Y. 2023-24 together with the Auditor's Report is furnished at **Annex-XI** (Page 64).

12.0 NSC CHAPTERS

12.1 Subvention to the Chapters

As per the Subvention Rules, subvention was paid to the eligible Chapters of NSC for the F.Y. 2023-24.

12.2 Chapter Activities

NSC has a wide network of 12 Chapters to cater to the needs of its members particularly at the local level. A resume of the Activities carried out by the Chapters during the year under report is furnished at **Annex-XII** (Page 68).

13.0 FUTURE PLANS

Based on the feed-back received from the members/patrons and after due assessment of their needs, NSC is constantly striving hard to develop and introduce newer activities in its mission of promoting Safety, Health & Environment at the national level. Keeping this in view and with a view to enhance the scope and reach, NSC proposes to take up the following projects/activities in the near future.

- Hosting APOSHO 39 International Conference at New Delhi
- Launching of Safety Innovation Awards for Students and Young Entrepreneurs
- Safety Education platform for students
- Launching of International Safety Award
- Digitalization of NSC Activities / services.
- Conducting Awareness Programmes at different locations across the country to increase reach of NSC.

14.0 ACKNOWLEDGEMENTS

I am pleased to summarize that the progress NSC has made over the past year in advancing its activities and projects, particularly in promoting occupational safety and health (OSH). This success would not have been possible without the invaluable guidance and support of the Board of Governors, whose leadership has significantly driven the Council's performance. We are fortunate to have Shri S.N. Subrahmanyam as our Chairman. Despite his extensive business commitments, Shri Subrahmanyam has generously devoted his time, energy, and resources to the Council's mission, and we are deeply grateful for his contributions.

I am thankful to both the Vice Chairmen; Shri Arvind R. Doshi and Shri Mukesh Galav and

Prof. Kalyan Chakravarti, Chairman-Finance Committee who have been actively involved and committed to the affairs of the Council. They immensely contributed to the deliberations of the Board & Committee Meetings. The involvement of all Board Members, Chairmen and the office bearers of our Chapters, Awards Committee Members in the activities of NSC for a noble cause is incredible. Without them, it would have been impossible to accomplish the goal so well.

NSC has been fortunate to receive continued support and cooperation from the Ministry of Labour & Employment (MOLE), Govt. of India in its endeavours and in promoting Safety, Health and Environment. We place on record our deep appreciation and thanks for its valuable support. I am also thankful to Union Ministries of Environment, Forests & Climate Change; Home Affairs; Information & Broadcasting; Chemical and Petrochemicals; The Central Electricity Authority, Govt. of India; Chief Labour Commissioner (C); CII; ILO; UNEP; DGUV; Korea Occupational Safety & Health Agency (KOSHA); APOSHO Members and a number of other Institutes and Government Departments for their support in carrying out various activities of the Council. I am thankful to DGFASLI and Directorate of Factories/Boilers and Pollution Control Boards of different States / UTs for their continued support and co-operation in NSC activities.

My special appreciation goes out to our external experts, guest faculty, members, well-wishers, patrons, vendors, service providers, and advertisers for their valuable contributions and unwavering support toward the Council's activities. I would also like to commend the dedication and hard work of the NSC employees and technical advisors, whose commitment has been integral to the success of our programmes and services this year.

I express my gratitude to all those who have contributed directly or indirectly in the achievements of different projects and activities of the Council. Being a non-commercial, not-for-profit, and voluntary organisation, NSC respects and acknowledges the voluntary assistance received from different quarters.

MINUTES OF THE 52nd ANNUAL GENERAL MEETING OF NATIONAL SAFETY COUNCIL

(Held at 1245 hrs. on Wednesday, the 13th Dec., 2023 at IMC, Mumbai)

1. The 52nd Annual General Meeting (AGM) of the National Safety Council was held at 1245 hrs. on Wednesday, the 13th Dec., 2023 at Indian Merchants' Chamber, Mumbai as notified through the Notice-cum-Agenda letter No. NSC/ADMN/517/AGM-52/2023 dated 1st Nov., 2023.
2. Shri Lalit R. Gabhane, DG, NSC welcomed all the Members. DG informed the members that the office of the Chairman, NSC, Shri S.N. Subrahmanyam has conveyed through email that due to some unavoidable circumstances, Shri Subrahmanyam will not be able to attend the Board Meeting. Therefore, Shri Subrahmanyam, has advised Shri Arvind R. Doshi, Vice Chairman (E), NSC to chair the Annual General Meeting of the Council. Accordingly, the meeting was chaired by Shri Doshi. Along with Shri Doshi, Shri Mukesh Galav, Vice Chairman (Workers) and Shri Lalit R. Gabhane, DG, NSC were on the dais. Shri Kalyan Chakravarti, Chairman, Finance Committee, NSC was also present in the meeting.

Total 76 NSC members comprising of representatives of corporate and life/individual members of NSC attended the meeting.

3. WELCOME

Shri Gabhane, delivered the Welcome Address. His speech is reproduced below :

1. As suggested by our Chairman, Shri Subrahmanyamji today for the first time we have administered the safety pledge at NSC's AGM. We will try to administer the pledge in each and every programme of the Council so as to encourage people to renew their commitment to the safety of mankind and spread safety awareness among the public.
2. With great privilege and pleasure, I extend a very hearty welcome to all of you at this 52nd Annual General Meeting of the National Safety Council for the F. Y.2022-23.
3. At the outset, I wish to inform you that the office of the Chairman has conveyed by e-mail that due to some unavoidable circumstances, Shri Subrahmanyamji will not be able to Chair the today's AGM. Indeed, we are very fortunate to have dynamic business leader, Shri Subrahmanyamji as our Chairman at this important stage of development and growth of the Council. For the almost last three years, he has been devoting considerable time and energy in the activities of the Council despite his very busy schedule.

Shri Subrahmanyam has advised Shri Doshiji, Vice Chairman (E), NSC to chair the

meeting. Accordingly, this AGM is being chaired by Shri Doshi, Vice-Chairman of the Council. I welcome Shri Doshiji and request Mrs. Sneha Bapat to present a bouquet to him.

4. I also welcome Shri Mukesh Galavji, Vice Chairman (Workers), NSC and request Mrs. Bapat to present a bouquet to him.
5. Being our parent body, the Ministry of Labour & Employment, Govt. of India, has always been providing its valuable support and guidance to NSC in its activities. I can proudly mention that we particularly receive Ministry's close support in organizing our National / International Conferences, NSCI Safety Awards Functions held every year, the National Safety Day / Week Campaigns which are organized by NSC Hqs. all over India in March every year. The Ministry's presence on NSC's Board of Governors has benefited the Council in receiving Ministry's valuable inputs in decision-making. I have no doubt that, Ministry's support and involvement in the efforts of the Council will go a long way in further strengthening NSC's trust, goodwill and its long-term growth.
6. We have always drawn our strength and support from our members and patrons. We are striving hard to develop and upgrade NSC's services based on your feedback and expectations. Keeping this in mind, I am happy to inform that, NSC has launched NSC Connect for its members. This will help NSC to have closer connect with members and also help members to update their data, renew membership, get their membership certificate, etc. For more information, you may please visit NSC website.
7. We are appreciative of the way our members are involved and actively participating in various projects, national-level campaigns, Safety Awards Schemes, and other events organized by the Council. The General Body members are therefore our strength. The AGM provides an excellent opportunity to have interaction and sharing of ideas and experiences among the members. While welcoming everyone, I am glad to see a good turnout and some familiar faces today. I express my gratitude to all members and patrons who have taken the time to join us this afternoon. I eagerly anticipate your continued support and active participation not only in the AGM but also in all the activities and projects undertaken by the Council throughout the year.
8. The safety community eagerly awaits NSC's Safety and Health Conferences. It is my delight to announce that NSC India will be hosting the 39th Asia Pacific Occupational Safety and Health Organisation (APOSHO) International Conference in November 2025 in India. In the near future, members will be informed of the other details about the venue, dates, theme, etc. I urge all members to promote and participate in the Conference in large numbers, as it is being held almost after 9 years.

Once again, I thank you very much for attending the meeting.

I now request Shri Doshiji to address the members.

4. ADDRESS BY THE VICE CHAIRMAN (E)

Shri Arvind Doshi, Vice Chairman (E), NSC extended a warm welcome and thanked members for joining 52nd AGM of the Council. His AGM speech is reproduced below:

“Good afternoon and a heartfelt welcome to each one of you at the 52nd Annual General Meeting of National Safety Council. On behalf of the NSC Board of Governors, I extend my sincere gratitude for your unwavering trust, encouragement, and steadfast support to the Council.

Dear members, over the past 57 years, the NSC has played a pivotal role in supporting its member organizations by providing diverse services in the realms of occupational health, safety, and the environment. The year 2022-23 witnessed the NSC's outstanding performance, demonstrating its commitment to service excellence and collaboration with industries for safety and health.

The Annual Report, along with the Audited Statement of Accounts for the Financial Year ending on March 31, 2023, is now available on the NSC website. Allow me to present a concise overview of the Council's achievements during the financial year 2022-23.

1. The NSC sustained its growth momentum in the Financial Year 2022-23, achieving a remarkable 34% increase in income from various activities compared to the previous year. This commendable feat, amidst a challenging business environment, underscores the growing popularity of NSC services and the trust industries place in the Council. Details of the Audited Income & Expenditure Statement and the Balance Sheet for F.Y. 2022-23 are provided in the Annual Report.
2. NSC has broad-based membership categories like corporate, trade-union, life & individual and student and every year new members are being enrolled to expand its network across India. I am happy to inform you that, the overall membership as of 31st March 2023 was 9781 as against 9046 of 31st March 2022.
3. To enhance NSC's outreach and to provide services across the country, NSC has set up state chapters. In the Financial Year 2022-23, NSC had a network of 12 Chapters in different States to cater to the needs of its members at local level and in local languages. As per NSC Board's directive, these Chapters are registered under the Societies Registration Act in their respective states.
4. As per the objectives stated in the Memorandum of Association, NSC has set goals by deeply analyzing its services and activities and trying to improve and enhance them. To meet the goals, NSC networks with various organizations. I am happy to share highlights of a few activities and services undertaken during the FY 2022-23.
 - NSC has been consistent in its approach to have long term collaborations with leading national & international organisations and entering into agreement with them & supporting to fulfil mutual OHS needs. As a part of these efforts, during the

year NSC has signed and renewed MoUs with:

- i) DGUV, Germany
 - ii) Korea Occupational Safety, Health and Environment
 - iii) Malaysia Occupational Safety and Health Practitioners Association
 - iv) SAIL Safety Organisation
 - v) Safety Appliances Manufacturers Association
- NSC had upgraded and relaunched its NSCI Safety Rating System in February 2022 as “Excellence in Safety – 5 Golden Stars”. As a next level to 5-Golden Stars, NSC developed and launched NSCI Safety Shield scheme during the year to recognize and reward excellence in occupational health, safety & environmental management system. The organizations, those who have received the 5- Golden Star ratings from NSC are eligible to apply for NSCI Safety Shield. This new initiative is now getting a good response from the industries.
 - NSC launched its new initiative as National Safety Aptitude Test on 4th March 2022. The first NSAT-2022 online examination was conducted on 9th July 2022, wherein 462 candidates attended. The results were declared and posted on the NSC website. A total of 354 candidates cleared the examination by scoring above 50%, which is the passing score. The feedback received from the candidates was highly encouraging.
 - NSC membership management services were mostly managed manually with a limited use of digital aid. To improve speed and productivity, NSC launched NSC-Connect portal on 2nd August 2022 to manage the membership services electronically. The key benefits of the portal are:
 - i) Organizations/Individuals can apply online with payment for new membership.
 - ii) Existing NSC members can view their profile and update it as and when required.
 - iii) Membership renewal notices are generated automatically, and invoices delivered to members online. Existing members can renew their membership by paying online payment.
 - iv) Members can download the membership certificate instantly.
 - v) Fully paid members can access the digital copies of NSC Chronicle and newsletter, etc.
 - A 1-day Seminar on Safety, Health & Environment was organized by the Council on 4th June 2022 at Hotel Sahara Star in Mumbai. The Seminar was one of the several promotional activities undertaken by NSC during 75th year of India's independence, celebrated as Azadi Ka Amrit Mahostav. The theme of the Seminar was "Aatmanirbhar Bharat – SHE Challenges & Opportunities". The theme was decided in line with the Aatmanirbhar Bharat Abhiyaan or Self-reliant India

campaign envisaged by the Hon'ble Prime Minister of India. The Seminar was attended by more than 300 delegates across India.

- NSC organised its 13th National Conference on Safety, Health & Environment on 16-17th March, 2023 at Panjim, Goa. The theme of the Conference was "Challenges & Opportunities in Changing World of Work". The Conference was supported by Construction Industry Development Council, New Delhi and DGUV, Germany. The Conference was a grand success as it was attended by over 600 delegates from all over India. Total 26 experts including 3 international speakers contributed to the deliberations of the Conference. Along with the Conference, an exhibition of safety equipment was also organized.
- NSC has been pioneering in consultancy services and has established its strong footprints in the field of OSH by undertaking Consultancy Assignments comprising of various types of Safety Audits, Safety Rating, HAZOP Studies, HIRA, Mock Drill, etc. There has been a great demand for all these types of assignments.

As a major player in safety auditing, NSC has been responding to requests from industries. If an assignment demands, multi-disciplinary teams are constituted under the leadership of NSC technical officers for simultaneous fieldwork in different locations. The recommendations provided by NSC in the Safety Audit report are the sources of improvements in eliminating the hazards and putting forth a healthy atmosphere. During the year 2022-23, in all 203 consultancy assignments were carried involving 1392 man-days which is higher by over 22% as compared to the previous year.

- NSC provides training on a wide range of OSH topics catering to the needs of NSC members. During the year, 61 national and virtual training programmes were conducted from which 1464 participants benefited.

NSC also conducts need-based training programmes at the premises of organizations. During 2022-23, a total of 78 such programmes were conducted on various topics and trained 1977 participants. NSC also has e-learning training courses on different subjects available throughout the year.

I am happy to inform that, NABET had accredited NSC's 3-day training programme on "NSCI Internal Auditor's Course for SHE Statutory Compliance" in 2017. Further, NABET revised accreditation scheme and extended it to online, face-to-face, and blended mode programmes. Accordingly, NSC received fresh accreditation which is valid up to 24th May 2025.

- All of you are aware that, NSC is operating four distinct NSCI Safety Award Schemes annually for manufacturing, construction, MSME and service sectors. The responses received for NSCI Safety Awards-2022 were very good compared to the last year. A total number of 603 applications were received which is higher by 6% as compared to the previous year.

The winners of the NSCI Safety Awards-2022 were felicitated during NSC's 13th National Conference on Safety, Health & Environment held at Panjim, Goa on 17th March 2023.

5. A quality management system is a way of defining how an organization can meet the requirements of its customers and other stakeholders affected by its work. Keeping in mind its excellence and being a service-oriented organization, NSC has obtained ISO 9001:2015 certification for quality management system from the Indian Register Quality Systems in October 2022. The certification is valid up to 6th October 2025.
6. NSC always extends its support, involves and contributes to government efforts whenever there is a request. Accordingly, during the year DG, NSC represented NSC as one of the members on:
 - i) The committee of experts constituted by the Department of Promotion of Industry and Internal Trade, Explosive section of the Ministry of Commerce and Industry, Govt. of India. The main objective of the committee was to study and recommend technological measures for ensuring safety for the fireworks shops as prescribed under the Explosives Rules, 2008.
 - ii) High Level Committee of Experts constituted by the Ministry of Ports, Shipping and Waterways, Govt of India for investigating the fire incident at Vishakhapatnam Major Port, which had taken place on 30th May 2022.
- 6.1 BIS is the National Standards Body of India engaged in developing Indian Standards in various fields of industrial activities, products, testing methodologies and services. The standards are being developed by various technical committees constituted by BIS. NSC being an apex national institution in the area of occupational health & safety, DG-NSC chairs two sectional committees of BIS namely Chemical Hazards and Occupational Safety & Health. NSC officers are also members on various committees and contributes to developing the Indian Standards.
- 6.2 The Atomic Energy Regulatory Board, Govt. of India constituted a committee under the chairmanship of DG, NSC for reviewing their existing assessment methodology and criteria for industrial and fire safety award schemes. Accordingly, the committee met 4 times during the year and finalized the criteria and suggested necessary changes in the existing application forms.
7. NSC is constantly striving hard to develop and introduce newer activities in its mission of promoting Safety, Health & Environment at the national level. It is gearing up for future challenges with initiatives such as Safety Innovation Awards, a web-based safety education platform, and hosting the APOSHO-39 International Conference in 2025.

In conclusion, I extend my gratitude to all members and patrons for their ongoing co-operation and support in advancing NSC's mission of providing quality and affordable services in Occupational Safety and Health across the nation.

I wish you and your family members all the best!

Thank you".

7. VOTE OF THANKS

Shri Mukesh Galav, Vice Chairman (Workers), NSC proposed the vote of thanks as below:

1. NSC is fortunate to have such a dynamic business leader Shri S.N. Subrahmanyaji as its Chairman. As mentioned by Shri Gabhaneji in his welcome address, under the visionary leadership of Shri Subrahmanyaji, the Council is trying to do its best in meeting the challenges and enhancing its image and role in propagating and promoting the OSH awareness in the country. On behalf of the General Body Members and on my own behalf, I whole heartedly thank him for devoting his precious time, energy and resources for the betterment of this social organization. We regret that the Chairman could not make it at this AGM due to some unavoidable circumstances.
2. I wish to express our sincere gratitude and thanks to the Ministry of Labour & Employment, Govt. of India for continuously providing its valuable support to the Council.
3. I especially thank Shri Arvind Doshiji, Vice-Chairman (Employers) and Prof. Kalyan Chakravartiji, Chairman, Finance Committee for their guidance, commitment and active involvement in the activities of the Council.
4. I would like to place on record our appreciation and thanks to all members of the NSC Board of Governors for their valuable contribution in the deliberations of the Board and other committee meetings as well as guidance and support in the affairs of the Council.

5. I also wish to express our gratitude and thanks to the Chairmen and office bearers of NSC Chapters, who despite their busy schedule, continued to contribute to the activities of the Chapters.
6. We place on record our appreciation and thanks to the members attending this meeting and their organizations for deputing them. I wish to thank the expert panel members, Awards Committee Members, industries, DGFASLI; BIS; the Directorate of the Chief Inspectorates of Factories and Pollution Control Boards in different States; other regulatory authorities; institutions, industries, industrial organisations, corporates and professional organizations; print media and our all service provider for their valuable support in the activities and development of the Council.
7. I thank our team in the Council and particularly Shri Lalit Gabhane, DG, NSC for their untiring efforts, commitment and teamwork in successfully carrying out the activities of the Council and improving its performance.
8. Last but not the least, I would also like to thank the management and staff of the Indian Merchants' Chamber for providing very good arrangements and service during our meetings.
9. Before I conclude, I would like to emphasize here that keeping in mind the present scenario, NSC shall go far beyond its objectives to meet changing requirements of the society and industry. We are striving to reach all people and all sectors of the economy with our services. This can be achieved if all members support NSC and encourage the team by availing its services and also encourage others to join NSC's membership.
10. I once again thank one and all for their support to the Council.

Thank you,
