Dear Sir(s),

We are pleased to inform you that the National Safety Council of India (NSCI) Navi Mumbai, set up by the Ministry of Labour, Government of India on 4th March 1966, continues its mission to generate, develop and sustain a voluntary movement focused on Safety, Health, and Environment (SHE) at the national level.

As some of its safety promotion initiatives, NSC brings out Safety Wall Calendar, Desk Calendar and HSE Diary. **NSCI Safety Calendar** highlights critical topics on safety, environment, home safety, road safety, and various industrial scenarios since last 46 years, and **Desk Calendar** for the past 6 years. **HSE Diary** over the last 28 years has been a repository of essential HSE information.
