To all Members and Patrons

**Sub: NATIONAL ELECTRICAL SAFETY WEEK CAMPAIGN – COMMENCING FROM 26<sup>th</sup> June 2024**

Dear Sir,

We are pleased to inform you that, the National Electrical Safety Week (NESW) campaign is spearheaded by the National Safety Council commencing from 26<sup>th</sup> of June every year, with the active support of Central Electricity Authority (CEA), Govt of India. The objective of the NESW is to raise awareness and enthusiasm among the public and industries on Electrical Safety and to renew the commitment of employees and the public to promote a participative approach towards the safe use of electricity.

As per the NCRB report published in the years 2020 & 2021, the total number of persons died due to electrocution are 13446 and 12529 respectively. Looking into the reported injuries, fires and deaths associated with the unsafe use of electricity in factories, construction sites, hospitals, malls, hotels, residential buildings, and other establishments, Electrical Safety is becoming essential to embrace for safeguarding of lives.

National Safety Council (NSC), the national level organization engaged in the field of Safety, Health and Environment, appeals to its members and patrons, to observe Electrical Safety Week - 2024 by way of undertaking various activities for promoting electrical safety in their respective organizations and establishments. NSC is bringing out some distinct promotional items with a topical message on Safety. The promotional items are in the form of videos, Pocket guides, electrical safety posters, banners, badges etc. besides online training programs and webinars. **(Details are provided in the attached Order Form):**

- A) Training (Webinars) on electrical safety:** on various topics of Electrical Safety for a short duration of 2 Hrs. (For more details refer attached brochure & visit – <https://nsc.org.in/>)
- B) E-learning Course on Electrical Safety:** (For more details refer attached brochure and for registration link is <https://nsc.org.in/e-learning/> )
- C) Promotional items:**
- **Badges with** the theme of Electrical Safety
  - **Banner with** the theme of Electrical Safety
  - **NSC's Publication:** Handbook for Workers on Fire in Hindi
  - **Pocket Guides & Safety Posters**

The Order Form listing these items, their prices and the terms & conditions for their supply is enclosed. You may log on to our website <https://nsc.org.in> and place your order through **E-Store** for online confirmation.

Kindly ensure that your firm order along with full advance payment reaches the NSC's office by 3<sup>rd</sup> June 2024. This will enable us to dispatch the required material on or before 26<sup>th</sup> June 2024 so that the organizations may plan to effectively organize the National Electrical Safety Week - 2024 Celebrations.

Yours faithfully,

**R.R. DEOGHARE**  
**DIRECTOR**

# NSCI'S TRAINING PROGRAM ON ELECTRICAL SAFETY (through Online) - NESW 2024

## **PERSPECTIVE:**

Today electricity has become the backbone of development. It is one of the essentials required to sustain modern society life. Electricity, though a good servant, may prove to be hazardous if due care is not exercised in its use. Although utmost safety is observed while manufacturing of electrical equipment, any error in installation, improper maintenance and ignorance of the safety precautions during their use may lead to an accident.

With an increase in reported injuries and deaths associated with use of electricity, electrical safety is becoming a more prominent health and safety topic in industry.

The National Safety Council is organising the online TRAINING PROGRAM on various topics of "Electrical Safety" to enable participants for preventing/controlling the electrical hazards at the workplace. Organization may choose any **one** of the topics from the below.

## **OBJECTIVE:**
