Sub: 54th National Safety Day/National Safety Week Campaign - Commencing from 4th March 2025

Dear Sir/Madam,

The **National Safety Day** (NSD) Campaign, spearheaded by the National Safety Council to commemorate its foundation day on **4th March**, is entering its **54th** year. This weeklong campaign on Occupational Safety and Health (OSH) is widely celebrated across industries, trade unions, government departments, regulatory agencies, NGOs and institutions with active support from the Central and State Governments and the media. The teamwork and commitment of industrial employees, their families and the public towards safety campaigns remain vital for its success.

As in previous years, we are introducing a range of specially designed utility articles with safety messages on OSH to help you effectively organize your National Safety Day/Week celebrations. These articles are practical, employee-friendly and crafted with attention to quality and impactful messaging. Distributing these items among employees helps management achieve greater participation and engagement in OSH activities.

We are enclosing Photos and Catalogue of utility articles for your reference.

NSC is now accepting orders for the National Safety Day for the year 2025. You can place your orders conveniently through our E-Store at <https://estore.nsc.org.in> or by using the QR Code provided below.
