All Members and Patrons,

Sub.: 55th National Safety Day / National Safety Month Campaign – Commencing from 4th March 2026

Dear Sir/Madam,

The National Safety Day (NSD) Campaign, spearheaded by the National Safety Council of India (NSCI) to commemorate its Foundation Day on 4th March, is entering its 55th year. Over the past five decades, this campaign has evolved into a nationwide movement promoting Occupational Safety and Health (OSH) and is widely observed across industries, trade unions, government departments, regulatory bodies, NGOs and institutions, with active support from the Central and State Governments as well as the media.

This year holds special significance as the National Safety Council of India proudly celebrates its Diamond Jubilee, marking 60 years of dedicated service to the nation in advancing workplace safety, occupational health and environmental protection.

In recognition of this important milestone and considering evolving workplace challenges along with the need for sustained engagement, a Resolution was passed during the 193rd Board Meeting of NSCI to further expand the duration of the campaign. Accordingly, the National Safety Day/ National Safety Week has been extended to cover the entire month and will be celebrated as “**National Safety Month (NSM)**”, commencing from 4th March. This initiative enables organizations to plan comprehensive and structured safety activities, thereby strengthening safety culture and ensuring wider participation. The continued teamwork and commitment of management, employees, their families and the public remain central to the success of this national campaign.

As in previous years, NSCI is introducing a range of specially designed utility articles carrying OSH safety messages to support organizations in conducting effective NSD/NSM celebrations. These utility articles are designed for daily use and have been selected with due emphasis on quality and impactful safety messaging. Distribution of such articles significantly enhances awareness, participation and involvement in safety initiatives.

A catalogue of the utility articles is enclosed for your reference.

NSCI will now accept orders for **National Safety Day/ National Safety Month 2026** exclusively through our E-Store at <https://estore.nsc.org.in> or by using the QR Code provided.

An **early bird discount** will be offered on orders received on or before **5th February 2026**. Please note that the **last date for receipt of orders is 16th February 2026**.

Members and patrons are requested to place their valued orders well in advance to facilitate effective planning, organizing and enable us to timely delivery of materials at your location for National Safety Day/ National Safety Month programs. Orders for Safety Posters, Signages and Stickers may also be placed through <https://estore.nsc.org.in>.

We look forward to your continued cooperation and enthusiastic participation in making the **55th National Safety Day/ National Safety Month Campaign** a meaningful and impactful success.

Assure you of our best services.

Yours faithfully,

R.R. Deoghare

YOUR HEALTH DEPENDS ON YOUR DIET

40% Vegetables and Fruits

25% Grains

25% Protein

10% Dairy

Tips for Healthy Diets

- Add a combination of rice, cereal, breads, vegetables, fruit and occasionally dairy, eggs, poultry, and meat to your diet. *Watch the fat!*
- Eat more fruits, beans, whole grains, and vegetables. Limit a variety and choose to go more often, in season, in small amounts at a time.
- Include different types of proteins, *4 times a week*.
- Choose a grain as described. It is the "most healthy" one of the three.
- Choose the best meat or add a bit to a variety of other healthy meats.
- Use soy wisely. In fact, the amount of 2 1/2 cups of soy per day is best.
- Watch the fat. Limit it to 65g a day in a healthy diet.
- Watch the fiber. Limit it to 40g a day in a healthy diet.
- Avoid alcohol, tobacco and keep fit, sleep, stress, and hormones in a healthy diet.
- Take a vitamin and mineral supplement if you are a vegetarian.
