To

All Members and Patrons,

**Sub: 55<sup>th</sup> National Safety Day/National Safety Month Campaign - Commencing from 4<sup>th</sup> March 2026**

The National Safety Day (NSD) Campaign, spearheaded by the National Safety Council of India (NSC) to commemorate its Foundation Day on 4<sup>th</sup> March, is entering its 55<sup>th</sup> year in 2026. Over the years, the campaign has evolved into a nationwide movement for promoting Occupational Safety and Health (OSH) and is widely celebrated by industries, trade unions, government departments, regulatory agencies, NGOs, and institutions, with active support of the Central and State Governments and the general public.

The year 2026 is of special significance as NSC celebrates its **Diamond Jubilee**, marking **60 years of dedicated service to nation** in advancing workplace safety, occupational health, and environmental protection. In recognition of this milestone and the need for sustained safety engagement, the National Safety Day / National Safety Week observance has been extended to the entire month, to be celebrated as **“National Safety Day (NSD)/National Safety Month (NSM)”**, commencing from **4<sup>th</sup> March 2026**.

To further strengthen safety culture amongst the public and address emerging challenges across both organised and unorganised sectors, the **theme for 55<sup>th</sup> National Safety Day/National Safety Month** has been finalised as:

**“Engage, Educate & Empower People to Enhance Safety”**

The theme highlights the importance of active participation, continuous learning, and empowerment of people at all levels to build a proactive safety culture and prevent accidents. Organisations henceforth will have enough opportunities to conduct various activities in a focussed manner around the theme.

We appeal to all member organisations and other stakeholders to adopt the above theme and actively participate in making the 55<sup>th</sup> National Safety Day / National Safety Month Campaign a grand success.
