Ref: NSC/WED/2026

Date :27<sup>th</sup> March 2026

## To all members and patrons

### Sub: Celebration of the World Environment Day on 5<sup>th</sup> June 2026

Dear Sir/Madam,

World Environment Day (WED), established by the United Nations General Assembly in 1972, is a global people's movement that encourages governments, industries, community groups, and individuals to take positive actions to protect and improve the environment. It provides a unique platform to raise awareness and mobilize collective efforts towards safeguarding the environment in which we live.

The United Nations Environment Programme (UNEP) has invited people across the world to celebrate World Environment Day on 5<sup>th</sup> June 2026 with great enthusiasm. As per UNEP directives, **WED-2026 focuses on, "A Global Call for Climate Action,"** highlights the urgent need for collective action to address climate change. With rising global temperatures, collapsing ecosystems, and increasing occurrences of extreme weather events, humanity stands at a critical turning point. However, through collective commitment and responsible actions, we can address these challenges and move towards a more sustainable future.

WED-2026 emphasizes that climate action goes beyond reducing carbon emissions—it calls for transforming the systems that power our economies and strengthening our relationship with nature. This integrated approach is essential to secure a safer, healthier, and more equitable future for all. The Republic of Azerbaijan, as the host country, will bring global focus to climate responsibility and environmental stewardship.

In line with UNEP's initiative, the National Safety Council (NSC) actively promotes World Environment Day across India. To support industries and organizations in effectively observing WED, NSC develops and provides a range of promotional materials as detailed below:

- I) **Environment Day Badge:** Multi-colour, printed on art paper in English on one side & Hindi on another.
- II) **Cloth Banner** (Hindi & English): World Environment Day theme will be screen printed on the Banner.
- III) **Other Utility Articles:** (see Order Form)
- IV) **Posters** (Hindi & English): 15 Varieties on environmental issues (see Order Form).

To ensure timely availability, we request you to place your **firm orders with advance payment by 5th May 2026** through our e-store: <https://estore.nsc.org.in/#/>

Early ordering will help us ensure prompt dispatch and support your organization in effectively planning WED activities.

We invite you to join this global movement and demonstrate your commitment towards environmental protection. Your participation will inspire positive change and strengthen environmental responsibility within your organization and beyond.

We look forward to your enthusiastic support in making **World Environment Day - 2026** a resounding success.

Assuring you of our best services,

Yours faithfully,

**R.R. Deoghare**  
Director  
for Director General

**Please note - LAST DATE FOR ACCEPTING THE ORDER – 5<sup>th</sup> MAY 2026**

## **GUIDELINES ON WORLD ENVIRONMENT DAY (5<sup>th</sup> June) CELEBRATION**

### **Background:**

The World Environment Day (WED) was established by United Nations General Assembly in 1972, to mark the opening of the Stockholm Conference on the Human Environment. It is celebrated worldwide on 5<sup>th</sup> June, every year to raise awareness on environment and mobilize action for environmental protection.

### **NSC's Role:**

In 1999, NSC took initiative and decided to actively promote celebration of WED among its members and thus launched the WED Campaign. NSC is continuing the campaign for the 28<sup>th</sup> consecutive year and is providing promotional materials viz. Environment Day Badge, Cloth Banners, utility articles, etc. to its members. This is a unique service provided by NSC in the Country. We are happy that every year more than 500 member organizations including Municipal Corporations, Pollution Control Boards and Industries also utilize these promotional materials for celebration of WED.

### **Objectives:**

The WED celebrations help an industry to -

- Demonstrate its commitment to environment protection
- Increase awareness on specific environmental issues relevant to the industry utilities and operations
- Undertake measures to minimize impact of their activities on the environment

### **WED Celebration for Individuals:**

In line with the spirit of **World Environment Day 2026** and focuses on “**A Global Call for Climate Action,**” individuals can contribute meaningfully by adopting the following practical measures to reduce their carbon footprint:

1. **Use energy-efficient appliances** – Reduce electricity consumption and lower CO<sub>2</sub> emissions.
2. **Support sustainable brands** – Encourage environmentally responsible production and reduce overall carbon impact.
3. **Avoid single-use plastic bags** – Prefer reusable bags and minimize plastic waste.
4. **Use recycled and eco-friendly products** – Reduce the energy required for producing new materials.
5. **Adopt renewable energy sources** – Utilize solar or wind energy wherever possible to reduce greenhouse gas emissions.
6. **Prefer local and seasonal food** – Locally grown food reduce transportation emissions & seasonal produce require less energy to grow.
7. **Switch off and unplug appliances when not in use** – Prevent unnecessary electricity usage.
8. **Promote sustainable transport** – Walk, cycle, use public transport, or carpool to reduce vehicle emissions.
9. **Improve insulation and energy efficiency in buildings** – Use Insulating materials such as reflective coating stabilises indoor temperature and reduce the need for cooling and heating.
10. **Conserve water** – Efficient water use reduces the energy required for pumping, treatment, and heating.

These simple yet impactful actions can collectively support climate action and contribute to building a **cleaner, greener, and more sustainable future.**

**Catalogue of Materials**  
**WORLD ENVIRONMENT DAY (5th June-2026)**

Sr. No.	Description of Item	HSN Code [GST Rate]	Product Rate																				
01	<b>WED BADGE:</b> Printed on Art Paper in English on one side & Hindi on the other side. To be worn by using safety pin (provided along with the Badge) during the World Environment Day celebration. (Order should be in multiples of 100)	49090090 [ 18%]	Rs.390/- per 100 Nos.
