NSC/APOSHO-39/2025

3rd October, 2025

Dear Members and Patrons,

We are delighted to inform you that the **National Safety Council of India** has been chosen to host the **39th Asia Pacific Occupational Safety and Health Conference and Expo (APOSHO 39)** at *Yashobhoomi, IICC Dwarka, New Delhi*, from **27–28 November 2025**.

This prestigious event is returning to India after nearly a decade and will bring together leading HSE professionals and decision-makers from across the Asia-Pacific region.

The conference will feature:

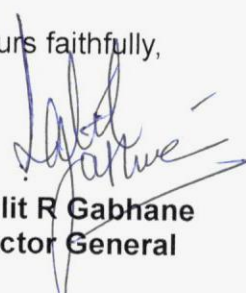

- **Around 60 eminent speakers** representing **20 countries**,
- **Keynote addresses** and **technical sessions** by global thought leaders,
- A **large OSH Expo** showcasing cutting-edge technologies and innovations in Occupational Safety, Health, and Environment.

Our NSC India team is working tirelessly to make this a landmark event, both impactful and memorable.

We warmly invite **all members, patrons, students, and stakeholders** to **register online (<https://www.aposho39.org>)** and **be a part of APOSHO 39**. Your participation will not only enrich the discussions but also contribute to strengthening the global OSH movement.

With best regards,

Yours faithfully,

Dr Lalit R Gabhane
Director General
