Welcome

Dear APOSHO Members, NSCI Members, OSH Practitioners and other Associates,

The National Safety Council (NSC) of India is pleased to announce that the 39th Asia Pacific Occupational Safety and Health Organisation (APOSHO) Conference, along with APOSHO Committee Meetings and the AGM, will be held in New Delhi from 26th to 29th November, 2025. The venue for APOSHO-39 will be the India International Convention Centre, YASHOBHOOMI, Dwarka, New Delhi

We are gratified to share that the NSC India has successfully organized the 11th and 31st APOSHO Conferences in 1995 and 2016, respectively. We extend our heartfelt thanks to the members of the APOSHO Main Committee for granting us this opportunity once again.

To highlight the importance of innovative and collaborative efforts in enhancing workforce safety worldwide, we have chosen the theme for the Conference as " **Safety, Health & Environment – Safer & Healthier World through Innovations and Collaboration**".

As the Director General of NSC India, I am delighted to invite you to take full advantage of this important international event and to delegate a significant number of representatives from your organization. I, especially, look forward to welcoming our international guests and offering them our renowned Indian hospitality.

Yours faithfully,

Dr. Lalit R. Gabhane

Director General

National Safety Council, India

Dear APOSHO Members

I am pleased to inform you that the host for the APOSHO-39 is the National Safety Council of India (NSCI). It will be held from 26th to 29th November 2025 in New Delhi, India. As the Chairman of APOSHO-39, NSCI has made significant preparations in advance. The Organizing Committee of APOSHO-39 has chosen the theme for the Conference as "**Safety, Health & Environment – Safer & Healthier World through Innovations and Collaborations**".

This theme truly reflects the spirit of APOSHO, as it aligns with the aim of every member of the APOSHO family to create safer and healthier working environments across the globe

This Conference is very significant as in 2025, APOSHO will celebrate its 40th Birthday, an impressive milestone. Therefore, it is extremely fitting that it should be hosted by one of our 6 inaugural members.

Please mark your calendars for this significant event. I encourage you to show your eagerness and commitment by registering early. I look forward to seeing you all at APOSHO-39 in New Delhi, India in 2025.

Yours faithfully

Bernie Doyle

Secretary General

APOSHO

About NSC INDIA

National Safety Council of India (NSCI) is a premier apex body at the national level devoted to strengthening of voluntary movement on Safety, Health and Environment (SHE) in the Country. It was established by the Ministry of Labour, Govt. of India on 4th March 1966. It's tripartite Board of Governors headed by the Chairman; an eminent industrialist nominated by the Govt. of India. NSCI has an all-India network of over 10000 members and 12 Chapters. With a track record of distinguished professional achievements and serving Indian industry for more than 57 years.

NSCI is a leading resource centre for SHE trainings, providing guidance & technical information, developing & providing promotional materials, organizing national campaigns, carrying out OSH audits, risk assessment, safety awareness surveys, safety rating and providing consultancy services on disaster management & OHSMS. It organizes national and international Conferences and Seminars and operates annual NSCI Safety Awards Schemes for recognizing organizations for their OSH performance and implementation of OSHMS effectively.

NSCI has an active co-operation with ILO; UNEP; JISHA, Japan; Korea Occupational Safety & Health Agency; Korea Industrial Safety Association; German Social Accident Insurance Agency (DGUV); American Industrial Hygiene Association; and the Safety Councils of other countries.

With a track record of financial self-reliance and distinguished professional achievements, today NSCI enjoys a reputation of being one of the best among the leading Safety Councils of the world.

About APOSHO

The Asia-Pacific Occupational Safety and Health Organization (APOSHO) is an international body composed of non-profit professional organizations devoted to the prevention of occupational accidents and diseases.

The National Safety Council of India (NSCI) is a founding member of the APOSHO. It was set up in 1985 by Safety Councils of six countries of Asia including NSC India with the objective of promoting mutual understanding and co-operation and contributing to enhancement of OHS through exchange of information & views among the communities in the Asia Pacific region. Presently, APOSHO has 36 organisations from different countries as its members and meets once every year in a member country.

Annual Conference & AGM

The Annual Conference & AGM of the APOSHO is held by rotation on voluntary basis. The Conference include keynote and parallel sessions in which distinguished experts and speakers deliver speeches, which is open for all delegates including APOSHO members. The APOSHO Committee Meetings and AGM is open for APOSHO members only, in which confirmation of the minutes of previously held meetings; report of the results of the committee meetings; decision on the requests received from APOSHO members for hosting future annual conferences & AGMs; and handing over of APOSHO flag & secretariat to the next APOSHO hosting organization, takes place.
