6.0 ACTIVITIES / COLLABORATION

6.1 Signing of MOUs/ Agreements

NSC has been consistent in its approach to have long term collaborations with its leading corporate members & others and entering into agreements with them and supporting to fulfil their OSH needs. As a part of these efforts, NSC has signed MoUs with the following organisations to further strengthen the collaborations:

- I. The NSC India and DGUV (German Social Accident Insurance), Germany has ongoing collaboration in the field of Safety and Health since 2008. The collaboration was formalized through MoUs signed between these two organizations thrice in March 2010, October 2013 and March 2017. A Joint Work Plan between NSC and DGUV was signed by DG, NSC and the DG, DGUV on 26th May, 2021.

In order to maintain a continuity and sustainability in the joint efforts, both NSC and DGUV have again entered into a 3-year MoU for the fourth time. The MoU was signed on 27th April, 2022 by Dr. Stefan Hussy, Director General on behalf of DGUV Germany and Shri Lalit R. Gabhane, Director General on behalf of NSC, India.

The main objective of the MoU is to continue with the mutually beneficial collaboration that seeks to promote safety and health at work as well as social protection and to reduce the occurrence of work-related accidents and diseases. The parties share the opinion that safe working environment is a prerequisite for decent work and that the safety and health topics within the scope of the MoU may refer to the organized as well as the unorganized sectors.

- II. A one-year MoU has been signed between the two organizations for the 12th consecutive year on 13th Sept., 2022 by Shri Lalit Gabhane, DG on behalf of NSC and Shri Asish Chakraborty, Executive Director, SAIL Safety Organizations on behalf of SAIL. The validity of the MoU can be extended by mutual consent.

The MoU is aimed at stipulating provisions for SAIL and NSC to develop, maintain and implement the highest standards in Occupational Safety, Health and Environment through technical co-operation and exchanges between the two organizations. A number of activities including safety audits, training programmes, OSH Consultancy Services, etc. are being planned to be undertaken at various locations of the SAIL.

- III. There is an on-going collaborator between NSC India and KOSHA (Korea Occupational Safety & Health Agency), Korea in the field of Occupational Safety and Health (OSH). As a part of this collaboration, both NSC India and KOSHA have entered into a three-year agreement (MoU) for the fourth time. The Agreement was signed on 25th November, 2022 during the APOSHO 36 at Melbourne Exhibition Centre, Australia. The main purpose

of this Agreement is to support enhancing the capability of Occupational Safety and Health in India and contribute to promoting safety and health of workers at the workplaces in both countries by establishing a cooperative relationship between KOSHA and NSCI. The scope of cooperation includes exchange of experts for training, consultancy, seminar / workshop / conference or for research program on topics of mutual interest, and exchange of technical information and materials, etc. on OSH.

IV. The NSC has active collaboration with Malaysia Occupational Safety and Health Practitioners Association (MOSHPA), Malaysia. With a view to further strengthening this collaboration, a 1-year MoU has been signed on 17th March, 2023 by Shri Lalit Gabhane, DG on behalf of NSC during NSC's 13th National Conference held at Goa.

The MoU with MOSHPA is aimed at jointly extending learning services and professional standards through training, education and other means; share information and knowledge on principles, competence and best practice across variety of key OSH areas aligned to the OSH national strategy, etc.

V. The one year MoU is signed with the Safety Appliances Manufacturers Association (SAMA), Mumbai on 17th March, 2023 by Shri Lalit Gabhane, DG on behalf of NSC during NSC's 13th National Conference held at Goa.

6.2 Introduction of NSCI Safety Shield Scheme

NSC had upgraded and relaunched its NSCI Safety Rating System (NSRS) on 1st February, 2022 with the title "Excellence in Safety – 5 Golden Stars"

As a next level to NSRS, NSC has developed another scheme to recognize and reward for demonstrating excellence in Occupational Health, Safety

and Environmental Management system for complying more than NSRS 5-Golden Star requirement. The safety shield assessment will be one step ahead of 5-Golden Star recognition and only those companies who won 5-Golden Stars are eligible to apply for Safety Shield. After an extensive assessment, safety shield to be awarded to the deserving organization.

During the Financial Year 2022-23, GMR Warora, has applied for NSCI safety shield. After their indepth assessment they were awarded a NSCI safety shield. The shield was presented to GMR Warora in NSCI Safety Awards Function held on 17th March, 2023 in Goa.

6.3 DG-NSC as a Member on the Committee of Experts constituted by The Dept. of Promotion of Industry and Internal Trade (DPIIT), Explosives Section, Min. of Commerce and Industry, Govt. of India

DG-NSC has been Co-opted as a Member on the Committee of Experts constituted by The Dept. of Promotion of Industry and Internal Trade (DPIIT), Explosives Section, Min. of Commerce and Industry, Govt. of India vide their letter dated 29th June, 2022.

The main objective of the committee was to study and recommend technological measures to ensure safety for the existing fireworks shops as prescribed under The Explosives Rules, 2008; examine practices in other countries and also review recommendations of the previous committee for its viability which was constituted under directions of Hon'ble High Court of Madras. The committee was primarily formed to frame the rules for Firework Shops by revising the provisions under the existing Explosives Rules, 2008.

6.4 DG-NSC as a Member on the High Level Committee of Experts constituted by Min. of Ports, Shipping and Waterways, Govt. of India

The DG-NSC was nominated as a Member on the High-Level Committee of Experts constituted by the Ministry of Ports, Shipping and Waterways, Govt. of India vide their letter dated 21st October, 2022 to investigate the fire incident at Vishakhapatnam Major Port (Vizag General Gargo Berth Pvt. Ltd.) which had taken place on 30th May, 2022. The Committee was chaired by Shri Sunil Paliwal, Chairman, Chennai Port.

The Committee looked into all the aspects related to the said fire incident; investigated the incident in detail and identified the root causes and reasons/lapses in the working / processes / procedures leading to this incident; etc. The Committee also looked into safety aspects of all major ports and submitted its report to the Ministry.

6.5 DG-NSC as Chairman of CHD-07 and CHD-08 Committees of BIS

Bureau of Indian Standards (BIS) being the National Standards Body of India is engaged in development of Indian Standards in various fields of industrial activities and products, testing, methodologies and services.

CHD-07:

Indian standards are developed through technical committees in specific sectors. One of the technical committees under the Chemical Division Council of BIS is a Chemical Hazards Sectional Committee, CHD-07.

During the 26th meeting of Chemical Division Council held on 15.02.2023, Shri Gabhane, DG, NSC has been nominated as the Chairperson of Sectional Committee CHD-07 for tenure of three years from February 2023 to February 2025.

The scope of the Committee is to formulate Indian Standards for

- i) Terminology, methods of sampling and test, codes of practices and guidelines relating to chemical hazards and Occupational Health Safety related to Chemicals;
- ii) Classification of hazardous chemicals and chemical hazards;
- iii) Code of safety for operational hazards in chemical industries and chemical laboratories etc;

iv) Safety data sheets and cards for hazardous chemicals, etc.

Accordingly, the 10th meeting of the CHD-07 held on 1st March, 2023 on virtual platform and was attended by Shri Gabhane as an incoming Chairperson of the Committee.

CHD-08:

DG NSC is the Chairman of the Occupational Safety and Health Sectional Committee (CHD: 08) of the Bureau of Indian Standards. The CHD-08 Committee is responsible for drafting and formulating various standards and codes of practices. Accordingly, the 22nd meeting of this Sectional Committee was held on 7th June, 2022 on a virtual platform. The meeting was chaired by Shri Gabhane and was attended by 30 members. At this meeting, the Committee reviewed various Indian Standards and comments received from its members and decided to revise them based on the comments.

6.6 DG-NSC as a Chairman of AERB Industrial & Fire Safety Awards committee

To review the existing AERB (Atomic Energy Regulatory Board) Safety Award criteria in order to identify further improvements, AERB, Govt. of India has constituted a Review Group of members having knowledge of safety management systems. Considering the vast knowledge of DG NSC in the field of industrial safety and fire safety, AERB constituted a Review Group under the chairmanship of DG, NSC. The terms of reference of the Group are – to review the present assessment methodology for industrial and fire safety award criteria and compare with other industries and identify the areas of improvement; review the existing elements of safety management system and suggest necessary changes; suggest the improvement in the award criteria; to lead/lag safety performance indicators for assessing the safety management system, etc.

6.7 NABET Accreditation as Learning Service Provider for NSC's Training Programme on 'Internal Auditor Course for SHE Statutory Compliance'

The National Accreditation Board for Education and Training (NABET) had accredited NSC's 3-day training programme on "NSCI Internal Auditor Course for SHE Statutory Compliance" in 2017 which was valid up to 28th June, 2020. During the period, 12 batches of NABET accredited training programme were conducted and attended by 273 participants.

The NABET has revised accreditation scheme for delivering courses via online, face to face and blended mode.

Accordingly, NSC had applied for renewal of accreditation and has received renewal accreditation certificate No. LSP2225 005 on 25th May, 2022 for its training programme on "Internal Auditor Course for SHE Statutory Compliance". The validity of the accreditation is up to 24th May, 2025.

6.8 National Safety Aptitude Test (NSAT)

NSC has launched its initiative on 'National Safety Aptitude Test' on 4th March, 2022. The first NSAT-2022 examination was conducted on 9th July, 2022 where 462 candidates attended the online exam. The results were declared on 14th July, 2022 and posted on NSC website. 354 candidates have cleared the exam by scoring above 50%. The feedback received from the candidates was encouraging.

As per the request received from leading organizations from the Oil & Gas and Construction sectors, NSC decided to conduct sector specific NSAT i.e. Oil & Gas, Construction from next financial year, 2023-24 in addition to the NSAT general.

6.9 Launch of Membership Data Management Software "NSC Connect"

NSC membership management services were mostly managed manually with a limited use of a digital solution. Therefore, the need was felt to completely digitalize the membership management services, so as to improve the speed and productivity. In the view of this, NSC has launched "NSC Connect" Portal on 2nd August, 2022 to manage the membership services electronically.

The key benefits of "NSC Connect" are as under :

- Organization/ Individuals can apply online for new membership of the Council
- Existing members can view their profile and update it as and when necessary
- Renewal notices are generated automatically and invoices are sent to members
- Members are able to download their Membership Certificate
- Fully paid members are able to access to the digital copies of NSC Chronicles / Articles / Newsletter etc.

6.10 NSC Headquarters certified with ISO 9001:2015

A quality management system is a way of defining how an organization can meet the requirements of its customers and other stakeholders affected by its work. Keeping in mind its pursuit for excellence and being a service-oriented organization, NSC initiated the process of obtaining ISO 9001: 2015 certification for Quality Management System and has received the same. The certificate was issued by the "Indian Register Quality Systems" (IRQS) vide Certificate No. IRQS/220101014 dated 7th Oct., 2022. The certificate is valid up to 6th Oct., 2025.

6.11 Activities under Collaboration/ MOUs

- I. As given in the Item 6.1 NSC, India and DGUV (German Social Accident Insurance), Germany has ongoing collaboration in the field of Safety and Health since 2008. In view of this collaboration, on the request from DGUV Germany, DG NSC participated in their Global Symposium on “Occupational Safety and Health – Challenges and Solutions”. It was organized by DGUV/BG BAU jointly with National Law University, Delhi; National Law Institute University, Bhopal; National Labour Law Association, New Delhi; Indo-German Focal Point, Govt. of NCT Delhi; ILO India and VVG National Labour Institute on 1st and 2nd Nov., 2022 at Delhi. DG NSC made a presentation on 'Digital Services for Safety in India'. The Symposium was inaugurated by Prof Harpreet Kaur, Vice Chancellor (I/C), NLU Delhi. Prof. Karl-Heinz Noetel, President ISSA Construction, Senior Advisor BG BAU, Germany spoke about the Seminar.
- II. On the request of NSC, L&T has offered its facility available at Kanchipuram and Hazira for conducting NSC's national level training programmes. Accordingly, MoU was signed between NSC and Safety Innovation School (SIS) of L&T Ltd., Kanchipuram on 24th January, 2022.

To deliver insight of construction activity and to take advantage of experiential learning, NSC has conducted training programme on “Safety requirements as per BOCW Act & Rules with Experiential Learning” at L&T SIS Kanchipuram on 20-22nd June, 2022. During the program, practical demonstration was performed by experts. 20 participants from various industries attended the programme. The feedback from participants was very good and some more programmes are planned to be conducted in near future.
- III. NSC has an on-going collaboration with DGUV (German Social Accident Insurance), Germany in the field of Occupational Safety and Health since 2008. As a part of this on-going collaboration with DGUV, a 3-member delegation comprising Prof. Karl-Heinz Noetel, President ISSA Construction, Senior Advisor BG BAU; Ms. Kristina Eger and Ms. Jackisch, BG BAU (DGUV) visited NSC Headquarters on 23rd September, 2022. The objective of the visit was to discuss about the NSC's participation at the Global Symposium at New Delhi and the International Vision Zero Conference at Kolkata which was scheduled in Nov. 2022, etc. The delegation had a detailed meeting with DG and other Senior Officers of NSC. They were also apprised of activities and functioning of NSC India.

6.12 NSC's Participation in APOSHO-36 Committee Meetings, Conference and AGM

NSC Board of Governors has approved a two-member official delegation from NSC India to participate in the APOSHO-36 Committee Meetings, Conference and AGM. The APOSHO-36 was hosted on physical mode by NSCA Foundation at Melbourne, Australia. Shri Lalit R. Gabhane, DG attended APOSHO-36 event from 23rd to 26th Nov., 2022. The theme of the APOSHO 36 Conference was “**Educate, Enhance, Evolve**”.

6.13 Seminar/ Conference

6.13.1 Seminar on Safety, Health & Environment on 4th June, 2022 in Mumbai

A 1-day Seminar on Safety, Health & Environment (SHE) was organised by the Council on 4th June, 2022 at Hotel Sahara Star, Mumbai.

The Seminar was organised by NSC as one of its several safety promotional activities during 75th year of India's Independence celebrated as AZADI KA AMRIT MAHOTSAV. The theme of the Seminar was "Aatmanirbhar Bharat – SHE Challenges & Opportunities", The theme was decided in line with the Aatmanirbhar Bharat Abhiyaan or Self-reliant India campaign envisaged by the Hon'ble Prime Minister of India.

The seminar was attended by a total of 302 delegates including invitees. Total 15 eminent speakers contributed to the deliberations of the seminar. These sessions were chaired by the eminent personalities. Along with seminar, a display of PPE's and Fire Protection Equipments was also organised wherein six manufacturers displayed their safety products.

6.13.2 13th National Conference on Safety, Health and Environment in Goa

A 2-day 13th National Conference on Safety, Health & Environment (SHE) was organised by the NSC on 16th-17th March, 2023 at Taleigao Community Centre, Panjim, Goa. The theme of the Conference was "Challenges & Opportunities in Changing World of Work". The Conference was supported by Construction Industry Development Council, New Delhi and DGUV, Germany. The Conference was inaugurated by lighting the lamp at the hands of Ms. Sneha Gitte, IAS, Dy. Commissioner, State Taxes and Chief Inspector of Factories & Boilers, Govt. of Goa, Shri Nitin Raiker, Director, Directorate of Fire & Emergency Services, Govt. of Goa and Professor Karl Henz Noetel, President International Section of ISSA on prevention in construction industry and Sr. Adviser, DGUV Germany.

The Conference was a grand success, and was attended by over 600 participants including invitees, session's chairmen, speakers, delegates and exhibitors. Total 26 speakers including three international speakers contributed to the deliberations of the Conference in the seven technical sessions. These sessions were chaired by the eminent personalities. The Conference was sponsored by M/s. Udyogi Plastics Pvt. Ltd., Kolkata; M/s. Accent Industries Ltd., Kolkata; Karam Safety Pvt. Ltd., NOIDA; Sparrow Risk Management Pvt. Ltd., Gurugram; International Powered Access Federation, Dubai; Reflectosafe, Mumbai; Solas Fire & Safety Enterprises LLP; Panjim, Goa and Jarsh Safety, Hyderabad.

Along with the Conference, an exhibition with 40 stalls was organised wherein 27 exhibitors displayed their safety products/services. The exhibition opening was done at the hands of Ms. Sneha Gitte.

6.14 NSC's Enlistment in CIDC Database "Brand Connect"

The Construction Industry Development Council (CIDC), established by the Planning Commission (now Niti Aayog) in association with the Construction Industry, is an apex body to take up and promote activities for the development of the Indian Construction Industry. CIDC is working as a bridge between Industry and the Policy making Central / State Govts. While it strives to solve issues related to Industry, it also has many facets, including self-regulatory norms for the industry in terms of Quality, Safety and Productivity.

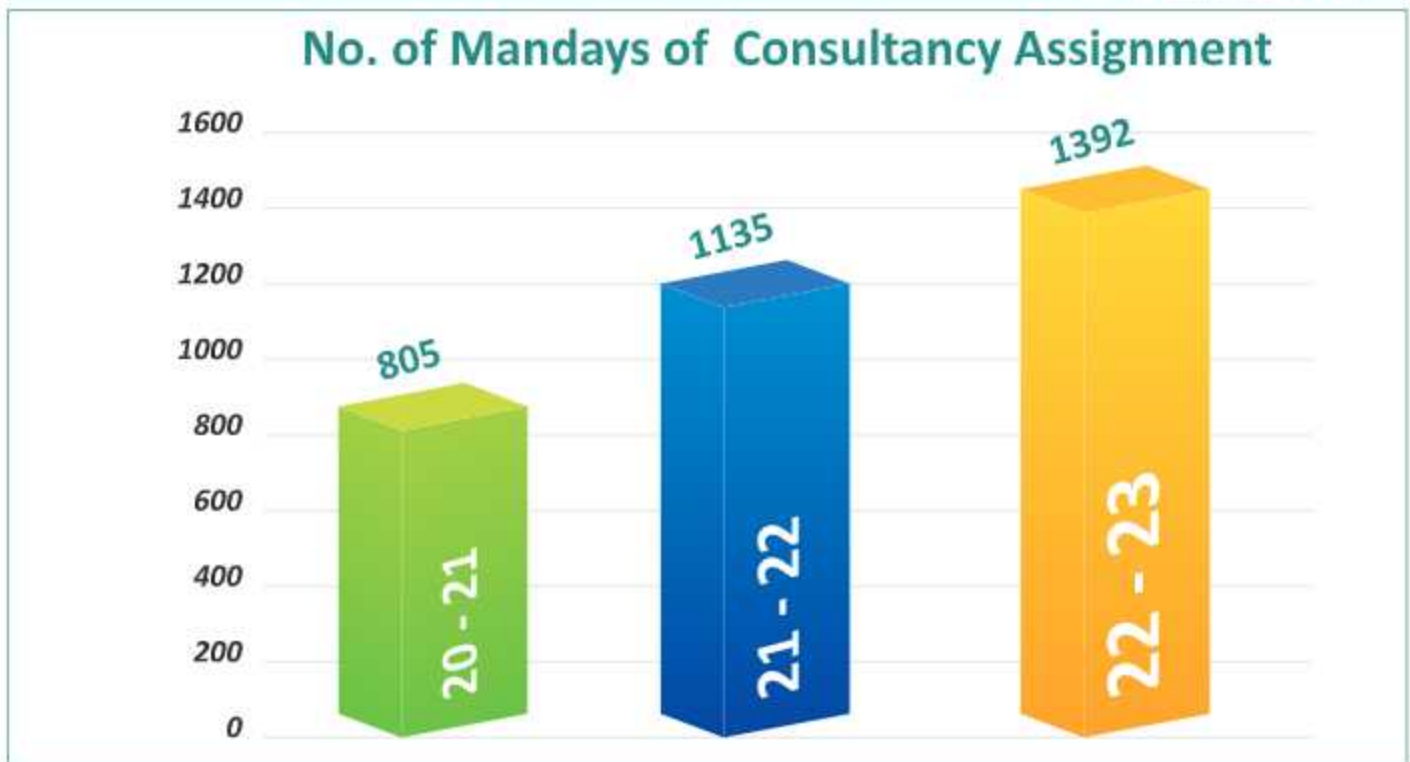

CIDC was in the process of preparing CIDC Construction Industry Database (A seamless database of pre-qualified Vendors) to develop a larger pool of qualified vendors and suppliers to facilitate a seamless and robust procurement system for their construction / Infrastructure projects. Considering the importance of the database, NSC had made an application to CIDC for enlisting NSC in their data base titled as "Brand Connect".

After evaluation by CIDC officials, NSC has been enlisted in the CIDC database as vendor under Certification dated 25th Oct., 2022 for a period of one year from the date of issue.

7.0 TECHNICAL SERVICES

7.1 Safety Audits/Consultancy Services

NSC has consolidated and strengthened its leadership position in the field of OSH by conducting Consultancy Assignments of Manufacturing, Construction and Service sector comprising of Safety Audits, Review Safety Audits, Safety Audit as per Maharashtra Factories (SA) Rules-2014 & 2017, Environment Safety Audit, Occupational Health & Safety Management System Audit, Fire Adequacy Study & Fire Load Calculation, Hazardous Area Classification, Preparation of Safety Report, Pre-Commissioning/Start-up/Pre-Occupation Safety Audit, HAZOP Studies, Quantitative Risk Assessment, HIRA, Preparation of Safety Manual, Safety Awareness Survey and Preparation/Review of On-Site Emergency Plan/Emergency Evacuation Plan, etc. There has been a great demand for these types of NSC services.

As a major player in safety auditing, NSC has been responding to the requests from industries. If an assignment demands, multi-disciplinary teams are constituted under the leadership of NSC technical officers for simultaneous fieldwork in different locations. The recommendations provided by NSC in the Safety Audit report are the source of improvement in eradicating the existing hazards and putting forth a healthy atmosphere. During the year 2022-23, in all 203 consultancy assignments were carried out involving 1392 man days.

NSC has carried out Safety awareness Surveys at Hindustan Petroleum Corporation Limited, Mumbai Refinery.

7.2 Training Programmes

7.2.1 Training Programmes / courses and Need-based Inplant Training Programmes

NSC develops and conducts a wide range of training programme such as public trainings at the various locations of the country, need-based Inplant Training Programmes and virtual. These programmes are supported by Interactive Sessions, Safety Videos, Exercises and Case Studies. During the year 61 National and virtual training programmes were conducted and around 1464 participants were trained. The details are given in **Annex-VI** (Page 39) and 78 inplant training programmes were conducted on various topics and trained around 1977 participants. In all, 3441 participants attended these programme.

7.2.2 E-learning Training Courses

NSCI offers following Seven E-learning Courses. During the reporting period, 145 participants attended these courses.

1. Safety at Construction Sites
2. Chemical Safety
3. Industrial Safety
4. Electrical Safety
5. Office Safety.
6. Advanced Industrial Safety
7. Environmental Management System

The details of the participants are given in **Annex–VII** (Pages 43).

7.3 Safety Talks / Meetings / Functions

NSC Officers delivered safety talks, presented technical papers and attended meetings/functions organized by different organizations during the year. Details are furnished in **Annex–VIII** (Pages 44).

8.0 SAFETY PROMOTIONAL ACTIVITIES

8.1 Promotion of Fire Service Week (14th -20th April, 2022)

Since last 23 years, NSC has been promoting the observance of Fire Service Week (FSW). It is observed nation-wide under the guidance of the Ministry of Home Affairs, Govt. of India every year during 14th– 20th in the month of April. The theme of the FSW for the year 2022 as decided by the Ministry was “**Learn Fire Safety, Increase Productivity**”.

To facilitate the members and patrons in effectively observing FSW, a variety of promotional material with safety messages including safety posters and photo luminescent signages were brought out and supplied to 108 companies.

8.2 Celebration of the World Environment Day (5th June, 2022)

The World Environment Day (WED) is being spearheaded by the United Nations Environment Programme (UNEP) since 1972. NSC has been promoting the observance of the World Environment Day since 1999. The theme for WED 2022 was “**Only One Earth – Care And Conserve**”.

The organizations actively participated in the WED Campaign and celebrated it in their premises. For effective promotion and observance of the WED-2022 Campaign, NSC developed various promotional materials and made available to the campaigning members organisations and other patrons on demand.

8.3 Promotion of National Electrical Safety Week Campaign (26th June, 2022 – 2nd July 2022)

In addition to other campaigns, NSC has been actively promoting “National Electrical Safety Week” (NESW) Campaign since 2020, with the active support of Central Electricity Authority, Govt. of India.

This year also NESW Campaign was promoted from 26th June – 2nd July, 2022. The objective of the NESW is to raise the awareness and enthusiasm among the public and industries on Electrical Safety and to renew the commitment of the employee and public towards safe use of Electricity. The theme for NESW-2022 was **“Avoid Loose Wires – Prevent Electrical Fires”** NSC brought out various promotional materials with topical messages on electrical safety.

8.4 Road Safety Month Campaign (Mid January, 2023 - Mid February, 2023)

The Ministry of Road Transport & Highways observes National Road Safety Month every year. Hon'ble Minister had directed to observe National Road Safety Month from Mid January, 2023 to Mid February, 2023 with the theme '**Sadak Suraksha – Jeevan Raksha**'. To contribute to the cause, NSC had started promoting the Road Safety Week/Month Campaign from the year 2011. To assist Members and Patrons in effectively promoting and organizing the Campaign, the Council developed various promotional materials such as safety badge, safety banners, safety posters, films, key-chain, cap, reflective jacket, rechargeable torch, water bottle, etc. with road safety messages. There was good demand for the promotional material.

Members enthusiastically participated in the Campaign.

8.5 52nd National Safety Day / Week Campaign (4th – 10th March, 2023)

The National Safety Day / Week Campaign spearheaded by the Council to commemorate its Foundation Day on 4th March has celebrated 52nd year of the campaign. The Campaign has now grown into a major national event in the OSH field and is widely celebrated by the industry, trade unions, Govt. departments, regulatory agencies, NGOs and institutions, etc. throughout the country. The theme for this year's Campaign was **“Our Aim – Zero Harm”**.

As in the previous years, the NSD Campaign-2023 received full support from the Ministry of Labour & Employment, Govt. of India. Shri Bhupendra Yadav, Hon'ble Minister for Labour & Employment and Environment, Forest & Climate Change, Govt. of India vide his D.O. letter no V-18011/1/2021-ISH-I dated 22nd February, 2023 addressed to State Labour Ministers / Labour Governors / Administrations of all States/UTs requested them to advise the concerned authorities in their state to ensure that the National Safety Day is organized in a befitting manner.

An appeal was issued to all members and patrons vide Council's letter dated 17th November 2022 to organize the 52nd NSD / Week Campaign from 4th March 2023 on a grand scale. The Campaign is aimed at renewing the commitment of employees and general public to work safely throughout the year. To assist them in organizing the Campaign effectively, the Council, as in the past had developed and brought out a variety of promotional literatures and utility articles carrying safety messages and slogans aimed at ensuring integration of OSH in work culture and life style. All the members of NSC in their broader aspects extended their actions to families, townships, schools/colleges and community to adopt the good practices of road safety, home safety and emergency preparedness for their betterment during the National Safety Day/Week.

On 4th March, 2023, the recorded messages of Shri Gabhane, DG, NSC on National Safety Day was broadcasted on FM Radio City and Akashwani, Mumbai Kendra.

NSC has a wide network of 12 Chapters to cater to the needs of its members particularly at the local level. A resume of the Activities carried out by the Chapters during the year under report is furnished in **Annex-XII** (Page 74).

12.3 Closure of NSC Chapter's

The NSC- Andhra Pradesh Chapter, NSC- Assam Chapter, NSC- Chhattisgarh Chapter, NSC- Delhi Chapter and NSC- Madhya Pradesh Chapter have been closed due to failure of registration of Chapter under the Societies Registration Act of their respective States within the stipulated time allowed by the Headquarters. The matter was approved by the NSC Board of Governors in its 183rd and 184th Meeting held on 6th September, 2022 and 8th December, 2022 respectively.

13.0 FUTURE PLANS

Based on the feed-back received from the members/patrons and after due assessment of their needs, NSC is constantly striving hard to develop and introduce newer activities in its mission of promoting Safety, Health & Environment at the national level. Keeping this in view and with a view to enhance the scope and reach, NSC proposes to take up the following projects/activities in the near future.

- Launching of Safety Innovation Awards for Students and young Entrepreneurs
- Safety Education platform for students
- Launching of International Safety Award

14.0 ACKNOWLEDGEMENTS

I am glad to sum up that NSC has achieved good progress in its activities & projects and its contribution to the society in promoting the OSH during the year. This could have not been possible but for the valuable guidance and support provided by the Board of Governors which really put impetus to its performance. The NSC is fortunate to have Shri S.N. Subrahmanyam as its chairman.

In spite of his extreme pre-occupation in various business activities, Shri Subrahmanyam has devoted his considerable energy, time and resources to the activities of the Council, for which we all are very much grateful to him.

I am thankful to both Vice Chairmen; Shri Arvind R. Doshi and Shri H. Mahadevan and Prof. Kalyan Chakravarti, Chairman-Finance Committee who have been actively involved and committed to the affairs of the Council. They immensely contributed to the deliberations of the Board & Committee Meetings. The involvement of all Board Members, Chairmen and the office bearers of our Chapters, Awards Committee Members in the activities of NSC for a noble cause is incredible. Without them, it would have been impossible to accomplish the goal so well.

NSC has been fortunate to receive continued support and cooperation from the Ministry of Labour & Employment (MOLE), Govt. of India in its endeavours and in promoting Safety, Health and Environment. We place on record our deep appreciation and thanks for its valuable support. I am also thankful to Union Ministries of Environment, Forests & Climate Change, Home Affairs, Information & Broadcasting, Chemical and Petrochemicals; The Central Electricity Authority, Govt. of India; Chief Labour Commissioner (C); CII; ILO; UNEP; DGUV; Korea Occupational Safety & Health Agency (KOSHA); APOSHO Members and a number of other Institutes and Government Departments for their support in carrying out various activities of the Council. I am thankful to DGFASLI and Directorate of Factories/Boilers and Pollution Control Boards of different States / UTs for their continued support and cooperation in NSC activities.

I also convey my exclusive appreciation to the external experts, guest faculty, all our members, well wishers, patrons, our vendors, service providers and advertisers for their valuable backing and spontaneous support in the Council's activities. I appreciate and thank the hardwork performed by the employees and technical advisors of NSC for their strong commitment and full devotion to various activities and services undertaken during the year.

I express my gratitude to all those who have contributed directly or indirectly in the achievements of different projects and activities of the Council. Being a non-commercial, not-for-profit and voluntary organisation, NSC respects and acknowledges the voluntary assistance received from different quarters.

Lalit R. Gabhane
Director General

MINUTES OF THE 51st ANNUAL GENERAL MEETING OF NATIONAL SAFETY COUNCIL

(Held at 1245 hrs. on Thursday, the 8th Dec., 2022 at IMC, Mumbai)

1. The 51st Annual General Meeting of the National Safety Council was held at 1245 hrs. on Thursday, the 8th Dec., 2022 at Indian Merchants' Chamber, Mumbai as notified through the Notice-cum-Agenda letter No. NSC/ADMN/517/AGM-51/2022 dated 1st Nov., 2022.
2. The meeting was chaired by Shri S.N. Subrahmanyam, Chairman, NSC. Shri Arvind Doshi, Vice Chairman (Employers); Shri H. Mahadevan, Vice Chairman (Workers) and Shri Lalit R. Gabhane, DG, NSC were on the dais. Shri Kalyan Chakravarti, Chairman, Finance Committee, NSC was also present in the meeting.

Total 68 NSC members comprising of representatives of corporate and life/individual members of NSC attended the meeting.

3. WELCOME

Shri Arvind Doshi, Vice Chairman (Employers), NSC delivered the Welcome Address. His speech is reproduced below :

1. With great privilege and pleasure, I extend a very hearty welcome to all of you at this 51st Annual General Meeting of the National Safety Council for the F. Y.2021-22. Almost after 3 years we have gathered together, and I am happy to see all of you. Now pandemic is almost a history, however, we have to take care for some more days, as it is still present in some of the countries.
2. On behalf of the General Body Members of the Council and on my own behalf, I have a great pleasure and privilege of extending a very warm welcome to Shri. Subrahmanyamji, our Chairman. We are indeed very fortunate to have such an accomplished and dynamic business leader as our Chairman at this vital stage of development and growth of the Council. For the last two years, he has been devoting considerable time and energy in the activities of the Council. Please welcome him with loud applause. I request Mrs. Sneha Bapat to present a bouquet to the Chairman.
3. Being our parent body, the Ministry of Labour & Employment, Govt. of India, has always been providing its valuable support and guidance to NSC in its activities. I can proudly mention that we particularly receive Ministry's close support in organizing our National / International Conferences, NSCI Safety Awards Functions held every year, the National Safety Day / Week Campaigns which are organized by NSC Hqs. all over India in March every year. The Ministry's presence on NSC's Board of Governors has benefited the Council in receiving Ministry's valuable inputs in decision-making. I have no doubt that, Ministry's support and involvement in the efforts of the Council will go a long way in further strengthening NSC's trust, goodwill and its long-term growth. I am happy to share that the Ministry has constituted an Expert Committee for framing various standards under OSHWC Code-2020 and the DG NSC has been appointed as a Co-Chairman of the Expert Committee for Fire and as a member of Expert Committee for framing Standards on OSH for workplaces relating to factories.

4. We have always drawn our strength and support from our members and patrons. We are striving hard to develop and upgrade NSC's services based on your feedback and expectations. Keeping this in mind, I am happy to announce that, NSC has launched NSC Connect for its members. This will help NSC to have closer connect with members and also help members to update their data, renew membership, get their membership certificate, etc. For more information, you may please visit NSC website.
5. Even during the current pandemic, we are overwhelmed by the involvement and active participation of our members in the various projects, national-level campaigns, Safety Awards Schemes and other events organized by the Council. The General Body members are therefore our backbone. The AGM provides an excellent opportunity to have interaction and sharing of ideas and experiences among the members. While extending a warm welcome to you all, I am happy to see good attendance and some of the familiar faces today. I am very thankful to all members and patrons who have been kind enough to spare their valuable time to be here with us this afternoon. I look forward to your continued support and active contribution not only in the AGM but also in all the activities and projects undertaken by the Council round the year.
6. NSC's SHE Conferences are most awaited event in the safety fraternity. I am happy to share that NSC will be organizing its 13th National Conference on 16th & 17th March 2023 at Goa. I appeal all the members to propagate and participate in the Conference in a large number, as this is happening almost after 7 years.

Once again, I thank you very much for attending the meeting.

I now request Shri. S.N. Subrahmanyaji to address the members.

4. ADDRESS BY THE CHAIRMAN

Shri S.N. Subrahmanyaji extended a warm welcome and thanked members for joining 51st AGM of the Council. His AGM speech is reproduced below:

"A very warm good afternoon to every one of you. It gives me great pleasure to welcome you all to the 51st Annual General Meeting of the National Safety Council. I sincerely thank you for joining us today at the 51st AGM of the National Safety Council.

The last two annual general meetings i.e. for FY 2019-20 and FY 2020-21 were held on the virtual platform due to Covid-19 pandemic. I could not meet you personally, but I had connected with you all virtually.

We are happy to see that the Covid-19 pandemic is now almost over in India, due to the various measures taken by the government and high vaccination rates, etc. and the businesses are functioning normally. However, there is economic crisis in many parts of the world and may trigger a global recession. Thankfully, India is not affected and stands tall as there is a growth in activities.

Friends, since last 56 years, NSC has been doing excellent job of supporting members by way of various activities. In F.Y. 2020-21 our activities, programmes and financial performance were adversely affected by the Covid-19 crisis, but I am happy to inform that NSC is now back on track and reported an improved performance in FY 2021-22.

The Director General's Report and the Audited Accounts for the Financial Year ended on 31st March 2022 of the Council have been uploaded on NSC website. I will briefly present the highlights of the performance of the Council during the financial year 2021-22.

1. Let me now briefly touch upon the overall financial performance of the Council. The income of the Council during the Financial Year 2021-22 was Rs.12.87 crores as against Rs.11.52 crores in the previous year, having an increase of Rs.1.35 crores. The Audited Income & Expenditure Statement and the Balance Sheet for the F.Y.2021-22 are provided in the Annual Report.
2. NSC is a member-based organization having corporate, trade union, individual, life and student membership categories. Every year new members are being enrolled and expanded its network across India. During the year, the Council enrolled 243 new members. The overall membership as on 31st March 2022 was 9046 as against 8836 of 31st March 2021.
3. With an idea of expanding the reach, identifying the local needs and providing the services in a local language, the Council has promoted setting up of State Chapters across India. During the F.Y. 2021-22, the Council had a network of 17 Chapters in different States. As per Board's decision, the process of registration of Chapters under the Societies Registration Act in their respective states is underway. As on 31st March 2022, 11 Chapters are registered under the Societies Registration Act of the respective state.
4. To meet the Council's objectives, it has set its goal by deeply analysing how to improve the services and activities offered to our members & patrons and network with other organizations. Let me share highlights of a few activities and services undertaken during FY 2021-22.
 - The Council always extends its support, involves and contributes in government efforts. As you are aware the Govt. of India has notified the Occupational Safety, Health and Working Conditions Code, 2020. The Ministry of Labour & Employment, Govt of India has constituted four expert committees for framing Safety and Health Standards pertaining to Factories, Dock Works, Building & Other Construction Works and Fire Safety Standards under the OSH Code, 2020. DG, NSC being Co-Chairman of the Expert Committee for framing Fire Safety Standards and also the Member of the Expert Committee for framing standards on OSH for workplaces relating to Factories, attended and made contributions during various meetings of both the committees held during the FY 2021-22.
 - The National Board for Quality Promotion, a constituent Board of Quality Council of India is engaged in various activities to achieve nationwide quality movement through National Quality Campaigns. It aims to create awareness amongst citizens empowering them to demand quality in all spheres of activities, promoting and protecting their well-being by encouraging manufacturers and suppliers of goods and service providers for adoption of adherence to the latest quality standards/tools. I am happy to inform you all that, in view of the reputation gained by NSC in the field of safety, the governing body of National Board for Quality Promotion have inducted DG, NSC as one of the members on their Board.
 - It is worth mentioning that DG, NSC has been nominated on the National Stakeholder Committee of Life & Building Safety as one of the members. Life and Building Safety is a coalition platform, powered by IDH, the Sustainable Trade Initiative of Netherlands where brands like GAP Inc., Wal-Mart, Bestseller, Target, etc. are coming together to collaborate to ensure safer apparel and footwear factories in India, Vietnam and Cambodia. It is a collaborative programme by a group of international brands focused on shared assessment and a shared standard for Life and Building Safety. The Committee guides the programme's development; helps identify and address challenges & opportunities while promoting the importance of safety for workers.

- You may be aware that NSC provides support to Bureau of Indian Standards in the process of development of safety standards. DG, NSC is the Chairman of the Occupational Safety and Health Sectional Committee called as CHD: 08 of the BIS. The CHD 08 Committee is responsible for drafting and formulating various standards and codes of practices on occupational safety & health. During the year, various meetings were held on a digital platform under the chairmanship of Shri Gabhane. These meetings were attended by committee members including NSC Officers. The Committee reviewed various Indian Standards and based on the comments received from its members on the various standards, it is decided to revise the respective standards.
- NSC has been consistent in its approach to have long term collaborations with its leading corporate members & others and entering into agreements with them and supporting to fulfill their OSH needs and enhance NSC activities. As a part of this efforts, during the FY 2021-22, NSC signed or renewed the following agreements:
 - i) 3-year Joint Work Plan with German Social Accident Insurance called as DGUV on 26th May 2021.
 - ii) Steel Authority of India's Safety organization for the 11th consecutive year on 30th July 2021 for one year.
 - iii) Institute of Petroleum Safety, Health and Environment Management, Goa on 22nd October, 2021 for three years. It is a premier HSE training institute of ONGC Limited.
 - iv) Safety Innovation School of L&T Kanchipuram, Tamil Nadu on 24th January 2022 for three years.

Besides many other activities, NSC has organized following important activities:

- NSC has been pioneering in providing OSH consultancy services and has made strong footprints in the field of OSH by undertaking consultancy assignments comprising of various types of Safety Audits, Safety Rating, HAZOP Studies, Risk Assessment, Mock Drill, etc. There has been a great demand for all these types of assignments.

As a major player in safety auditing, NSC has been responding to the requests from industries. If an assignment demands, multi-disciplinary teams are constituted under the leadership of NSC technical officers for fieldwork in different locations. The recommendations provided by NSC in the Safety Audit report are the guiding sources of improvement in eliminating the hazards and putting forth a healthy atmosphere. During the year 2021-22, total 172 consultancy assignments were carried out involving 1135 man days.

- Safety training is a core activity of NSC from its inception and provides training on a wide range of OSH topics catering to the needs of NSC members and patrons. During the year, NSC conducted 513 virtual and 61 in-plant training programmes. Total 4149 participants were trained in these programmes.

NSC's e-learning training courses on "Safety at Construction Sites", "Chemical Safety", "Industrial safety", "Electrical Safety", Office Safety and Advanced Industrial Safety are in good demand and during the FY 2021-22, these courses were successfully attended by 286 participants. Further, during the year under report, a new e-learning course on Environmental Management System was introduced. This course is aimed to enable and guide the participants to adopt a system-based approach to manage the environmental performance of the organization.

- The Council organized a very useful and enlightened virtual free seminar on Hospital Fire Safety on 20th May 2022 in the backdrop of various fire incidents in the hospitals across India during the Covid-

19 pandemic. It was attended by more than 375 participants across India comprising from hospitals, hotels, factories, enforcement authorities, etc. It was also streamed on YouTube channel for wider propagation.

- The Council organised a 1-day virtual seminar on Electrical Safety on 2nd July 2021 for concluding the National Electrical Safety Week Campaign, which was commenced from 26th June 2021. The theme for campaign was “Observe Electrical Safety – Save Lives and Property”. The campaign has been promoted by NSC from the year 2020 with the support from the Central Electricity Authority, Ministry of Power, Govt. of India. The Seminar was inaugurated by Shri Goutam Roy, Member - Power System, Central Electricity Authority.
- Another feather in NSC's cap is NSAT initiative, launched first time in India by NSC during the FY 2021-22. NSAT stands for National Safety Aptitude Test. Let me brief you all about NSAT in short. The objective of NSAT is to assess the prospective safety professionals' capabilities and understanding of safety science, safety law, risk management, safety engineering/management, besides their leadership abilities and general aptitude and help the organisations/ employers in their Safety recruitment process. NSAT score would reflect the relative competence level of the candidate and employers may consider it as a criterion for shortlisting prospective candidates. The NSAT was announced on 4th March 2022 on the occasion of 51st National Safety Day campaign function and the first online exam was held on 9th July 2022. I appeal all members to promote this initiative on a large scale.
- All you are aware that, NSC had introduced NSCI Safety Rating System in the year 2014, under which it was awarding Green Triangle Safety Rating to the organization after thorough assessment. The scheme has been revamped totally taking into account the revised standards IS 14489-2018 and ISO 45001:2018 and re-launched as 5 Golden Stars Safety Rating System on 1st February 2022. Now, it has become more popular, and council has been getting good responses from the industries.
- Though there were restrictions and limitations for operations of factories and construction sites due to the Covid-19 pandemic, the response received for NSCI Safety Awards-2021 was very good. A total number of 568 applications were received in the manufacturing, construction, MSME and Service Sectors.

The winners of the NSCI Safety Awards-2021 were announced on 4th March 2022. The awards were presented to the winners in a special function organized on 4th June 2022 in Mumbai.

5. NSC membership services were mostly managed manually with a limited use of a digital solution. Therefore, the need was felt to completely digitalize the membership management services, so as to improve the communication between NSC and its members.

The members may be happy to note that, NSC has launched “NSC Connect” portal on 2nd August, 2022. The features of the portal are - members can view their profile and update it; renew membership; download membership certificate; access digital copies of NSC Chronicle and Newsletter, etc.

6. You all are aware that, a good quality management system is a way of defining how an organization can meet the requirements of its customers and other stakeholders. Keeping in mind its pursuit for excellence and being a service-oriented organization, NSC initiated the process of obtaining ISO 9001 certification during the FY 2021-22 and I am happy to inform that NSC has received the ISO 9001 Certificate on 7th October 2022.

7. New Initiatives and Future Plans

Based on the feedback received from the members/patrons and after due assessment of their needs, NSC is constantly striving hard to develop and introduce newer activities in its mission of promoting Safety, Health & Environment at the national level. Keeping this in view and to enhance the scope and reach, we have now been working on a few new initiatives to seize emerging opportunities:

- Launch of 'NSCI SAFETY SHIELD' award for Industries and Establishments for their excellence in OSH.
- Launch of International Safety Award.
- Introducing Safety Innovation Awards for Students and Young Entrepreneurs.
- Launch of Safety Education Platform for students to nurture young minds and develop a culture of safety in the country.

The Council has been enjoying the continued support of the Ministry of Labour & Employment, Govt. of India, enforcement authorities; member organisations and safety professionals. However, I appeal each one of you to invite new members for carrying forward the mission of NSC. The Council will always be happy to provide quality yet affordable services to the industries on Occupational Safety and Health.

Before I conclude, I would like to thank the members of the Board of Governors of NSC for taking keen interest in the activities during the year. I am confident, they will continue to extend their support and guide us for steering Council's activities.

I wish you and your family members a very happy and safe new year ahead!

Thank you".

5. DECISIONS / RESOLUTIONS OF THE AGM AS PER THE AGENDA POINTS

1 Confirmation of Minutes of the 50th AGM

The General Body noted that as mentioned under Agenda Item No.3, the Minutes of the 50th Annual General Meeting of the Council held on 21st Jan. 2022 on a virtual platform had been circulated to all the members vide Council's letter No. NSC/Admn/517/AGM-50/2021 dated 2nd February, 2022.

As no comments had been received, the minutes were unanimously confirmed by the General Body.

7. VOTE OF THANKS

Shri H. Mahadevan, Vice Chairman (Workers), NSC proposed the vote of thanks as below:

1. NSC is fortunate to have such a young and dynamic business leader Shri S.N. Subrahmanyaji as its Chairman. As mentioned by Shri Doshiji in his welcome address, under the visionary leadership of Shri Subrahmanyaji, the Council is trying to do its best in meeting the challenges and enhancing its image and role in propagating and promoting the OSH awareness in the country. On behalf of the General Body Members and on my own behalf, I whole heartedly thank him for devoting his precious time, energy and resources for the betterment of this social organization.
2. I wish to express our sincere gratitude and thanks to the Ministry of Labour & Employment, Govt. of India for continuously providing its valuable support to the Council.

3. I especially thank Shri Arvind Doshiji, Vice-Chairman (Employers) and Prof. Kalyan Chakravartiji, Chairman, Finance Committee for their guidance, commitment and active involvement in the activities of the Council.
4. I would like to place on record our appreciation and thanks to all members of the NSC Board of Governors for their valuable contribution in the deliberations of the Board and other committee meetings as well as guidance and support in the affairs of the Council.
5. I also wish to express our gratitude and thanks to the Chairmen and office bearers of NSC Chapters, who despite their busy schedule, continued to contribute to the activities of the Chapters.
6. We place on record our appreciation and thanks to the members attending this meeting and their organizations for deputing them. I wish to thank the expert panel members, Awards Committee Members, industries, DGFASLI; BIS; the Directorate of the Chief Inspectorates of Factories and Pollution Control Boards in different States; other regulatory authorities; institutions, industries, industrial organisations, corporates and professional organizations; print media and our all service provider for their valuable support in the activities and development of the Council.
7. I thank our team in the Council and particularly Shri Lalit Gabhane, DG, NSC for their untiring efforts, commitment and teamwork in successfully carrying out the activities of the Council and improving its performance.
8. Last but not the least, I would also like to thank the management and staff of the Indian Merchants' Chamber for providing very good arrangements and service during our meetings.
9. Before I conclude, I would like to emphasize here that keeping in mind the present scenario, NSC shall go far beyond its objectives to meet changing requirements of the society and industry. We are striving to reach all people and all sectors of the economy with our services. This can be achieved if all members support NSC and encourage the team by availing its services and also encourage others to join NSC's membership.
10. I once again thank one and all for their support to the Council.
