TO ALL MEMBERS/PATRONS

Sub: Safety Posters / Publications & films.

Dear Sir,

We are glad to inform you that, the National Safety Council has got good varieties of Safety Posters, Signage and Stickers, etc,

Organizations are always ready to purchase NSC's posters because of following reasons -

- More than 200 varieties of Safety posters are readily available in a single window.
- Posters are on topical safety subjects like Statutory, Mechanical Safety, Electrical Safety, Chemical Safety, Health & Hygiene, Emergency Management, Fire Safety, Road Safety, Construction Safety and others.
- Its usefulness is in your Safety Programs for education and motivation of employees.
- It attracts the masses and found effective awareness tool for education about safe behavior to employees of all classes.
- Depiction of safety posters feels live demonstration of workplace and its hazards.
- These posters are printed with safety messages and humorous cartoons designed by well-known cartoonist like Mr. R.K. Lakshman, Mario, Keith Francis and Prabhakar Wairkar.

You may visit our website https://nsc.org.in for viewing miniatures of our Safety Posters to select them. By procuring Safety Posters in bulk, you would be availing 9% discount (minimum order should be more than 300 Nos.)

A special discount of 9% can be availed by NSC Members on Safety Posters, Signages and Stickers. Kindly quote your Membership No. to avail the above discount. You may go through the attached list of Safety Posters/Signage and Stickers with the rates for order purposes.

Send us your orders at the earliest with full advance payment by EFT/DD/Cheque favouring "National Safety Council" payable at Mumbai.

After receipt of your order with payment, we shall dispatch the materials immediately. For more details and assistance, kindly contact Shri Neelkamal on 022-27522891 (D) or 2757 9924 or E-mail us on **safetypromotion@nsc.org.in**

Thanking you and awaiting for your valuable order.

Yours faithfully.

R.R. Deoghare
Director

SYNOPSIS OF NSC PUBLICATIONS

SR.	ITEM	PUBLICATIONS	SYNOPSIS
NO.	CODE		
1	50014	OECD Guiding Principles for Chemical Accident Prevention, Preparedness and Response (Second Edition 2003) English – Pages 210	Provides general guidance to stakeholders for safe planning and operation of plants involving hazardous substances and to mitigate the adverse effects of accidents that do nevertheless occur, through effective emergency preparedness, land use planning and accident response.
2	50016	Managing Chemical Safely Putting It All Together - US EPA English - Pages 24	Every industry and business, irrespective of its size, which manufactures, stores, handles, transports or uses hazardous chemicals, has a responsibility to implement a system of chemical safety management. It provides basic guidance to help the management to take an informed decision.
3	50012	An introduction to Hazard & Operability Studies The Guide Word Approach by R.Ellis Knowlton <i>Hindi</i> – Pages 48	Describes the HAZOP method, its scope and value in a general way, but with specific examples. A complete chapter has been devoted to the "Examination Session", which is a distinguishing feature of HAZOP.
4	50013	Safety, Health and Working Conditions Training Manual Publication of Joint Industrial Safety Council, Sweden and ILO, Geneva Hindi – Pages 132	It covers a complete range of topics dealing with safety, health and work environment, such as physical and chemical hazards, safe use of different types of equipment, promotional activities, and also emerging areas like ergonomics and work organization for better quality of working life.
5	50002	Health, Safety & Environment – A Practical Guide Vol. No. I (General) English - Pages 170	The topics covered in this volume include General Safety, Home Safety, Legislation, Personal Protective Equipment/Electrical Safety. The main objective is to make available the complete information on the above topics/items at one place for easy access of the users.
6	50003	Health, Safety & Environment – A Practical Guide Vol. No. II (Chemical, Construction & Transportation Safety English - Pages 196)	The topics covered in this volume include Chemical Safety, Construction Safety and Transportation Safety
7	50004	Health, Safety & Environment A Practical Guide Volume III (English No. of pages 216)	The topics covered in this volume include Health and Environment. [Currently out of Stock.]
8	50022	Health, Safety & Environment A Practical Guide Volume IV (English No. of pages 122)	The topics covered in this volume include Disaster Management & Fire Safety
9	50021	Industrial Hygiene & Safety Auditing – A Manual for Practice, Second Edition Edited by Mr.Craig Hollenbeck, MS, CIH, REM English No. of pages 80)	The Manual aims at providing valuable information about the tools and processes which have demonstrated their usefulness in the actual work situations. The Manual will be very useful to the persons who have been entrusted with conducting internal audits of safety & health management systems and will also serve as a guidance to the OSH professionals
10	50017	Guidelines for the Preparation of Cyclone Emergency Management Manual for Coast-based Industrial Installations-English 44 pages	Information provided is based on the rich and first hand experience of the organizations represented on the working group constituted by the MoE & F/NDMA. Guidelines would be of immense help to the coast based industrial installations in developing their own cyclone emergency management manual.

SR.	ITEM	PUBLICATIONS	SYNOPSIS
