Dear Sir/Madam,

As you are aware, the *National Safety Day (NSD) Campaign* spearheaded by the National Safety Council to commemorate its foundation day - 4th March, is entering into 53rd year. This weeklong Campaign on Occupational, Safety & Health (OSH) is widely celebrated by industry, trade unions, Govt. departments, regulatory agencies, NGOs and institutions with the active support of the Central and State Governments and the media. The teamwork of industrial employees, their families and the general public throughout the year is the commitment towards safety campaign.

United Nations Development Program (UNDP) has adopted 17 Sustainable Development Goals (SDG). To keep the workers safe and protect the environment is reflected in **Goal No. 9 of SDG** which mainly focuses on **"Industry, Innovation and Infrastructure"**

NSC actively supports SDG and aligns its activities accordingly. The ultimate objective of the NSD Campaign is to help industries and other organisations to innovate and promote safety.

As in the past, we are bringing out several specially designed utility articles carrying safety messages on OSH to help you in effectively organising the National Safety Day/Week celebrations. These utility articles are broad-based and useful for employees. Special attention has been paid to the quality of material and message to be conveyed to help the management in achieving greater participation and involvement of employees in OSH activities through the distribution of these items to them.

We are enclosing the Order Form and a Photo Catalogue of utility articles for your reference. The terms and conditions for the procurement of the materials from the Council are given along with the Order Form.

We request you to place your firm order immediately by returning the Order Form duly filled in along with full advance payment. Please retain a copy of the Order Form for your records.
