NSCI Internal Auditor Course for SHE Statutory Compliance,

13 – 15 March 2024, West End Hotel, Mumbai

INTRODUCTION

National Safety Council (NSC) is happy to announce NABET accredited "NSCI Internal Auditor Course for SHE Statutory Compliance". NSC has done pioneering work in carrying out Safety Audits for organizations as per IS 14489: 2018 on "Code of Practice on Occupational Safety & Health Audit" to check the compliance with the Indian Statutory requirements and Standards on Occupational Safety & Health.

ABOUT THE COURSE

Safety and Health audit is a management tool for systematic evaluation of how well the operation and maintenance procedures match with design intent and statutes. There are already large tome of Health and Safety legislation continues to grow with the introduction of additional regulations and guidelines. Moreover, Governments also use a larger stick to punish non-compliance. Not only bigger fines are imposed on companies but their directors and senior management face imprisonment for neglect of duties. Also, the adverse public relations resulting from poor regulatory compliance can result in lost consumer goodwill, and it can have a negative impact on valuable brand names. Statutory Compliance Audits can be used as a useful tool in reviewing an organisation's health and safety procedures and legal compliance. Findings from the compliance audit identify gaps in an organisation's current policy and procedure to enhance its safety performance. NSC has designed this 3-day course as a regulatory audit provides an objective review of facility operations and company practices and

provides a recommended process to ensure that compliance continues.

LEARNING OUTCOME

After completion of this course the participants will be get acquired with knowledge of SHE legal requirement, management system requirement, chemical, mechanical, fire, occupational health, industrial hygiene and electrical hazards.

This course enables participants to -
