To,

All Members and Patrons,

Sub: 53<sup>rd</sup> National Safety Day/National Safety Week Campaign - Commencing from 4<sup>th</sup> March 2024

Dear Sir/Madam,

As you are aware, the **National Safety Day (NSD) Campaign** spearheaded by the National Safety Council for commemorating its foundation day - 4<sup>th</sup> March, is entering into 53<sup>rd</sup> year. This weeklong Campaign on Occupational, Safety & Health (OSH) is widely celebrated by industry, trade unions, Govt. departments, regulatory agencies, NGOs and institutions with the active support of the Central & State Governments and the media. The Campaign is aimed at renewing the commitment of employees and general public to work safely throughout the year.

United Nations Development Program (UNDP) has adopted 17 Sustainable Development Goals (SDG). To keep the workers safe and protect the environment is reflected in Goal No. 9 of SDG which mainly focuses on "Industry, Innovation and Infrastructure". NSC aligns its activities towards SDG, through its several initiatives and programs.

The objective of the NSD Campaign is to help industries and other organisations to promote Safety, Health and Environment. Safety Leadership plays a significant role in the ESG excellence. To focus on Safety Leadership, this year we have derived the theme for NSD 2024 as "Focus on Safety Leadership for ESG Excellence".

We appeal our member organisations and others to adopt the theme, encourage all employees to enthusiastically observe the NSD and take all necessary measures towards achieving the aim.

We wish a grand success for NSD 2024 campaign.

  
Dr. Lalit R. Gabhane  
Director General
